Beam: 14' 3" (4.34m)

Min Draft: 3' 5" (1.04m)

MFG Length: 38' 0" (11.58m)

Speed, Capacities and Weight

Cruise Speed: 16 Kts. (18 MPH)

Max Speed: 20 Kts. (23 MPH)

Displacement: 24000 Pounds

Gross Tonnage: 25 Pounds

Water Capacity: 100 Gallons

Holding Tank: 54 Gallons

Fuel Capacity: 300 Gallons

Accommodations

Total Cabins: 2

Total Berths: 3

Sleeps: 5

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Mercruiser

Model: 7.4 Horizon

Engine Type: Inboard

Fuel Type: Gas

DETAILED INFORMATION

Overview

One of Sea Ray's few motoryacht designs produced during the 1990s, the 370 Aft Cabin (called the 380 Aft Cabin in 2000-01) enjoyed modest success for Sea Ray during her production years. A blend of modern styling and comfortable accommodations, she was built on a fully cored deep-V hull with prop pockets to level the engines. The 370/380 is a big boat inside thanks to a wide 14'3" beam and relatively high freeboard. Both staterooms have walkaround double beds and generous storage. Only the aft head has a separate stall shower. On the port side across from the galley is a walk-in utility room containing a washer/dryer, countertop, storage and a pantry. (In 2000, this utility area was eliminated in favor of an enlarged salon.) The L-shaped sofa in the salon converts to a double bed, and a handy serving counter overlooks the galley. Topside, the Sea Ray's

covered aft deck features a molded bench seat, wet bar with ice maker, and solid wing doors. (Powerboat guide 2018)

Salon
