SPECIFICATIONS

Overview

Moor Fun is an immaculately clean, fully equipped cruiser, featuring numerous upgrades and three staterooms. She is one of the last and most refined Gemini catamarans built, capable of motoring in as little as 18" of water, making it possible to go virtually anywhere in the coastal U.S. or Bahamas - just one of the reasons Gemini's hold their value so well. She has had only one owner who has chosen to add upgrades that reflect both his knowledge and experience. Now it's time for a new owner to enjoy Moor Fun as much as he has!

Basic Information

Category: Catamaran

Model Year: 2008

Year Built: 2008

Country: United States

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Description

Moor Fun is an immaculately clean, fully equipped cruiser, featuring numerous upgrades and three staterooms. She is one of the last and most refined Gemini catamarans built, capable of motoring in as little as 18" of water, making it possible to go virtually anywhere in the coastal U.S. or Bahamas - just one of the reasons Gemini's hold their value so well. She has had only one owner who has chosen to add upgrades that reflect both his knowledge and experience. Now it's time for a new owner to enjoy Moor Fun as much as he has!

Accommodations

Moor Fun's interior is as beautiful as it is functional with a spacious salon, three staterooms and galley. Her cabin features Bombay mahogany teak and also allows for ample light and ventilation through numerous ports and hatches. Over 6 feet of headroom makes this cabin truly forgiving for those of a certain height. Reverse cycle heat/ac (16k BTU) ensures comfortable temperature control in a variety of conditions. Each stateroom contains a hanging locker with a pantry/berth layout in the 3rd stateroom. The head features a Raritan Elegance electric macerator, which uses fresh water. The master stateroom has been upgraded with a memory foam mattress. Moor Fun's interior also features a nav station as well as galley.

ENGINE, GENERATOR AND TRANSMISSION

27hp Westerbeke 30B THREE engine with 575 hours. Recommended service performed in 2018. Sillette saildrive and new bellows in 2018; spare bellows also purchased. 2 kw Honda EU2000i generator configured for either gasoline or propane. Transmission was rebuilt in 2017 after contacting crab pot.

UPGRADES
