# ПОДРОБНОЕ ОПИСАНИЕ

## Overview

Stepping aboard, you'll first notice the upgraded hydraulic swim platform with 600 lbs. capacity, which held a Boston Whaler 11' Sport (Not Included). Moving into the cockpit with teak flooring, you have a bench seat, fiberglass table with teak inlay and a custom aft shade for the days when you've had enough sun.

To port, refinished teak steps lead to the flybridge perfect for entertaining guests with a new Fusion stereo system and 30" television. Soft SeaDek flooring covers the entire bridge deck with seating located forward of the helm and across from easily accessible wet bar and refrigerator. The standard hard top features an upgraded isinglass enclosure to protect your captain from harsher weather or open the easy-zip hatches to let in the cool breeze. The helm station features two upgraded Garmin 7612 chartplotters, new Garmin VHF and bow and stern thrusters for easy docking.

As you step through the sliding glass doors into the salon, the 32" flatscreen TV, high-gloss cherry wood and ultra-leather opposing sofas will have you feeling like you're on a luxury cruise ship. The L-shaped ultra-leather dinette sits comfortably adjacent to the large galley that features two new Sub-Zero refrigerators.

Two easy steps lead to the yacht's three carpeted staterooms. To port, your VIP stateroom features a full-size bed and maple-lined closet. The VIP head and separate shower is accessed from the stateroom or can be used as a day head with access from the hallway. Directly across is the starboard guest quarters with bunk beds. All the way forward is the Master stateroom featuring two maple-lined closets and ensuite head with separate shower. The tile flooring and teak shower "mats" in both heads adds another element of luxury to the yacht

For the New Year's and 4th of July excursions, watch the fireworks from the comfort of the large bow sun pad.

This is one of Sea Ray's best selling yachts and is an opportunity that you don't want to miss.
