SPECIFICATIONS

Overview

This Tiara 3200 Open replaced the hugely popular and long-running 3100 Express in 2005 many were impressed with the bigger and improved model. So much so that many 31 owners upgraded to the new 32! The 32' was wider, longer and with better fishing and cruising amenities everywhere you looked. Tiara has always been a strong player in the "cross over" or cruising/fishing genre, but the 32' really epitomizes how well it can be done. It really is a great fishing express replete with a world-class livewell, two removable insulated and macerated fishboxes, a great bait and tackle prep station, transom gate, and rod holders everywhere! When you combine this level of fishability with a Pipewelders tower, topside controls and outriggers, you have a true offshore machine!

Enter the cabin and all of its comfort and luxury includes Tiara's renowned fit and finish! Below you'll find sleeping for five, a full galley with Corian tops and teak joinery all cut from the same piece of wood, a flat screen TV with DVD player and an above average AM/FM CD player and a lot more. This vessel is clean and well-maintained with great electronics below and topside and is a great value for the discerning buyer.

- NEW Bottom Paint - February 2019
- NEW Cutlass Bearings - February 2019
- NEW Engine Room Fire Extinguisher System - February 2019
- NEW Shaft Seals - February 2019
- NEW Isinglass Enclosures - January 2019
