SPECIFICATIONS

Overview

This 1988 Viking 63 “Wide Body” motoryacht has all the stylings, features and feel of a boat in the 80-90’ range. Stepping on board, it is easy to forget you are on a manageable 63’ vessel. Three staterooms forward, with a separate stairwell midships for the Master adds to the feeling of spaciousness on board. This boat has been meticulously owned and operated as well as updated. The owners have done extensive refits and upgrades to the interior and exterior, with an eye towards making the boat as user-friendly as possible.

Hull Material: Fiberglass

Hull Configuration: Semi-Displacement

Engine Information

Engines: 2

Manufacturer: Detroit Diesel

Model: 8V92TA

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walk Through

Stepping aboard the vessel, you will find yourself on an oversized, custom swim platform. As opposed to a traditional vertical ladder, on this boat you are welcomed on board at a custom built teak spiral staircase up to the aft deck. Double sliding glass doors open into a comfortable salon, with double sleeper sofas to port and starboard. A large flatscreen tv make this a wonderful entertaining space. Moving forward, you have the option to climb an internal staircase to the flybridge, or continue into the dining area. An oversized custom wood table has been installed with seating for at least 8 people comfortably. The dining space is complemented by a serving area that doubles as tableware storage and a wetbar with wine cooler as well. To starboard, you may step down the private staircase into the full beam master stateroom. The master stateroom offers a private study, walk in closets, ensuite head with his and her sinks and a walk in full size shower. At the base of the stairs, you will also find a walk in laundry room with stackable high efficiency washer and dryer and walk in access to the engine room. Returning to the main deck, you will continue forward into a well-appointed galley with all the creature comforts of home. Beyond the galley is the lower helm station with port and starboard access doors leading to the bow lounge area. The guest staterooms are accessed by a curved stairwell to starboard of the lower helm station. The VIP suite has a queen sized bed with an ensuite head. The other two staterooms have a set of bunk beds to starboard, and a full bed to port with a jack and jill shared head between. The flybridge helm is fully enclosed in eisenglass, with a large tender storage area aft of the enclosure.

Salon

- Double sleeper sofas
- Captains chairs
- Double lounge chairs with ottomans
- Sony Bravia flatscreen tv

Dinette

- L-shaped seating area with pull out ottomans
- Custom wood table
- Custom overhead lighting
- Chef station with tableware storage
