SPECIFICATIONS

Overview

The "Not 2 Bad" is a very nice example of the 2000 SEA RAY 460 Sundancer with relatively low hours on her optional (and preferred) CUMMINS 450 HP Diamond Series diesels. There's enough power to mover her at a comfortable low-to-mid 20's knot cruise with good fuel economies & with a top end of around 28-29 knots.

This Chesapeake Bay shed kept boat by her current owner has seen very light use and very good care. Her interior accommodations include a large salon & galley area, fore and aft staterooms, two head and the capacity to sleep 6. On deck, there is a large aft seating area with a convertible sunpad and leading out onto a large swim platform. And on the bow, there is a second sunpad to accommodate more family and friends. For additional information or to arrange a showing call Central Listing Broker.
