SPECIFICATIONS

Overview

This is a beautifully maintained 2004 Salt Shaker 300 CC. She has been rack stored indoors and her bottom and engines painted 9/18. A while ago a boat builder named Joe Maggio saw how well the Blackfin 29 hull performed. He took that design, made it better, and built his own new boat to the highest standards ever used by a boat builder. These custom built boats became the Salt Shaker 30CC. She is powered by twin Honda 255hp that have 598 hours on them. Electronics include Raymarine Depth ST60, Raymarine Pathfinder RL70C, Raymarine VHF 215, Raymarine Plus L1250 Raychart, Raymarine Hybridtouch, Raytheon AP ST5000+, and Clarion Stereo/CD player.
