SPECIFICATIONS

Overview

Hurricane deck boats have always been the standard of deck boat development from the very beginning. Super sleek and sporty, well built, easy to handle, plenty of storage for gear, and lots of room to entertain family and friends.

This Hurricane 240 Sundeck is a one owner beauty with only 182 hours on a Yamaha 250 4-Stroke outboard. It is loaded up with everything you could want in a great deck boat. A fully enclosed head with a sink that the ladies will love, a large Bimini top to keep you in the shade, and full canvas covers to keep the sun off the cushions.

You will enjoy the tilt steering wheel with hydraulic steering, stereo, dual batteries, bow and stern ladders.

She has a great entertainment bar with a sink, a fresh water wash down station, and has a telescoping ski pole. Her swim platform with fold down ladder makes it easy to get in and out of the boat after a nice swim or fun tube ride. Tandem axle trailer is included.

She will take you for a great swim, pull a tube for you, take you fishing, or just for a cruise up the Intercoastal, great family boat with lots of seating that is in high demand in used boats. Not many brands offered outboard power in this model year. Don't wait, it will go fast.
