SPECIFICATIONS

Overview

Bertram has a well-deserved reputation for building rugged, high quality boats. This is exactly what Maverick is. Solidly built with the legendary deep vee hull designed by Ray Hunt, Maverick offers great value in a sturdy, reliable platform with plenty of space. The large flybridge with hard top shade and plenty of seating is a stand-out feature, as is the large cockpit with room for everybody's diving or spearfishing gear. Ideal for a family boat or it could make a great charter boat for fishing or diving. Would be ideal for a couple to live-aboard and cruise the Sea of Cortez. Hundreds of fish have been caught over the years from the Maverick including blue marlin over 500 LBS as well as placing in tournaments such as Bisbee's. This well-traveled vessel reliably and safely carried the current owner and family from Galveston, to Nantucket, the Bahamas and on to Cabo San Lucas and saw the kids grow up enjoying time on board fishing, diving and cruising.
