DETAILED INFORMATION

Overall

Designed by Scott Stephens of Tides Boatworks this is a truly custom Sportfish built to the highest standards. The twin Lugger engines, known for their durability and efficiency, combined with 575 gals of fiberglass fuel tanks, give this vessel exceptional range and fuel economy. Typical 200 nautical mile trip of cruising and trolling yields 1 mpg.

With an open helm, tower with full controls, and large uncluttered cockpit this is a true fishing machine. A spacious cabin that sleeps four with head and stand-up shower, full galley, and large custom built-in refrigerator overnight fishing trips can be done in comfort.
