## Manufacturer's Description

---

The Sunseeker Predator 80 combines spectacular performance with an exceptional level of comfort. The 80 delivers a top speed of 44 knots, a range of 400 miles, and provides luxurious accommodation for up to eight people. Sleeping up to eight in four luxurious cabins (plus crew quarters), the Predator 80 features full air conditioning throughout. There is a wide range of interior options available, or the owner may submit an original design. The standard features include hydraulic power steering, bow and stern thrusters, and comprehensive navigational equipment. The automatically-opening hardtop reveals a fixed dining table and comfortable seating for eight. PREDATOR PERFORMANCE MOTORYACHTS: Sunseeker Performance Motoryachts are the result of 35 years of continuous design development. Performance Motoryachts combine performance, superb specifications, and luxurious comfort. SUNSEEKERS: Sunseeker is the largest privately-owned builder of production cruisers in the world today. The performance of its boats demonstrates the skills of its world-class design team. Sunseeker uses the best materials, the latest design techniques and construction methods, together with rigorous quality control procedures. With a choice of propulsion systems, layouts and furnishings and fittings, these boats are truly made to order. Sunseeker support is available all over the world.
