SPECIFICATIONS

Overview

PRICE REDUCTION! Sixty thousand dollars has been invested into this boat over the past two and a half years.

With its luxurious teak interior, 72 square feet of cockpit area and reliable Caterpillar power, this 3700 Tiara Open provides the perfect combination of comfortable cruising yacht and fishing or diving machine. It has a spacious, comfortable interior with 6'7" of stand-up headroom. Engine room access is achieved with the push of a button as the bridge deck hatch rises on its new hydraulic pistons for ease of maintenance. This particular vessel has been immaculately maintained and has had the most meticulous record keeping of any vessel that you can find in this price range. In September of 2016 the owner spent more than \$50,000 on the engines, and had them serviced again in 2018 at 2888 hours, in addition to a fresh bottom job in October of 2018.

Accommodations and Layout

Queen size island V berth forward

Large two entry head with stall shower

Spacious galley to starboard

Huge U-shaped settee that converts to a bed to port

Additional single bunk can be configure by raising the settee back rest

Transom hullside storage

Aft facing cockpit bench

Top loading refrigerator/freezer box

Custom cockpit entry steps

Deck and Hull

Stainless steel railing

Three foredeck hatches

Fiberglass pulpit

Maxwell windlass with deadman switch

New bottom job in October of 2018

Electronics & Nav

Ritchie compass

Raymarine C120 GPS combo

Raymarine Ray 201 VHF

Raymarine open array radar

Raytheon Raydata (Tri-data)

RayPilot 650 autopilot

Furuno LCD sounder LS-6000

ACR Global F/X EPIRB (emergency position-indicating radio-beacon)

ACR spotlight with RCL-100 point pad

Clarion stereo with 6 disc CD changer and West Marine speakers

TV antenna

VHF antenna

VHF external speakers by West Marine

Engine & Mechanical

Twin Caterpillar 3208 TA 435 hp diesel engines

8 kw Westerbeke generator with a custom Westerbeke sound shield

Two separate A/C units

Tiara helm air system

Glendinning engine synchronizer

Marine Air Systems A/C; two separate units

New hydraulic engine cockpit cover lift

Fireboy fire suppression system

Dripless shaft seals

Trim tabs

In September of 2016 \$53,000 of work was done including:

Replace Port & STBD exhaust risers with dry exhaust, block lagging and water

Mixing elbows

Port & STBD turbos blueprinted

Replace Port & STBD water pumps

Replace crankcase ventilation hoses

Replace STBD alternator

New Port & STBD D/C voltage meter wires to gauges

Replace STBD engine oil hoses from oil filter assembly to cooler

Replace port engine block heater

Remove, clean and re-gasket heat exchangers

New aftercoolers

New engine and generator zincs

New oil fill plugs on valve covers

New muffler outlet hose and clamps

New raw water pump

New starter

Clean and add touch up paint to engines and gears

Reconditioned propellers

Remove port shaft and replace shaft seal assembly

Replaced all bad trim tab bolts

In 2018 complete engine service including:

New engine and generator zincs

New compressor for cockpit refrigerator/freezer

New hot water heater

Performance

RPM 650 - 6.1 knots, 1.8 gpm, estimated range 1,450

RPM 1000 - 8.3 knots, 4.0 gpm, estimated range 890

RPM 2000 - 20 knots, 24.5 gpm, estimated range 350

RPM 2200 - 22.7 knots, 27.5 gpm, estimated range 350

RPM 2400 - 25.8 knots, 30.9 gpm, estimated range 350

RPM 2600 - 27.4 knots, 35.6 gpm, estimated range 330

RPM 2850 - 31.1 knots, 43.2 gpm, estimated range 305

Fishing Equipment

Six gunnel top rod holders

Three clearing rod holders

In deck fish box

In deck live well

Tackle center

Tankage

Fuel = 411 gallons

Water = 98 gallons

Holding tank = 40 gallons

Electrical System

30 amp and 50 amp shore power

Glendinning cable master recoiler

Battery chargers

Salon AC/DC breaker panel

Water heater

2 AC units

Exclusions

Owner's personal items, art, personal fishing tackle, Name
