DETAILED INFORMATION

Overview

The Tiara 2900 Open Classic is a versatile, reasonably priced 30-footer. She is a well-built package ideal for family fun, while substantial enough for serious fishing action. At 11,130 pounds, she's quick to jump up on plane, and fuel-efficient to boot. The hull and decks on the boat are hand laid — the resulting surface is smooth as glass, with no distortion or finish blemishes. It's a long-term payoff, since these structures are much less likely to suffer from stress cracking, blistering, or delamination problems in later years. The 2900 Open really comes alive when you fire up its twin 260-HP Volvo diesels. You'll cruise comfortably and sip fuel at 21 knots with a top end of 28 knots. With plenty of room and amenities for family and guests, she's also rugged enough for the serious sport fisherman. And best of all, she's priced to make it easy for you to join the Tiara family.
