SPECIFICATIONS

Overview

This eye catching, sleek, modern and sporty Couach 3000 Fly motor yacht will not go unnoticed.

The Couach 3000 Fly motor yacht is designed to cater to the most demanding yacht owner, both for her marine quality and technology but she also offers a stylish and refined interior design, sound proofing and cruising comfort, even in rough seas.

Part of a multi-yacht ownership, this sumptuous flybridge superyacht features exceptional performance at her 30.70 meters (100' 8") in length and coded for charter under the French RIF. She was built and designed by Couach. She was delivered in 2007 and can accommodate 8 to 10 charter guests in a Master, a VIP cabin and 2 double cabins one of which is convertible to twin. She can also sleep two additional children on request in Pullman beds, located the double cabins. She will definitely fill your cruising experience with style and comfort.

Since her launch in 2007, the layout of the main salon has been changed to be more welcoming and convenient for charter. Different upgrades in the galley and staterooms, such as implementation of an iPod station and Playstation. She has also received Security upgrades and handrails added in the staircase to the guest rooms as well as the one to the flybridge.

Her enormous flybridge provides a great sunbathing area, and not only that, the flybridge also offers great space for static events charters at dockside.

With twin 2400 Hp Diesel engines, the Couach 3000 Fly is a highly effective motor yacht in her class.
