ХАРАКТЕРИСТИКИ

Обзор

Irish Rover is the largest Marlow currently available on the market and is in excellent condition. She has very low hours and has always been maintained with an open checkbook and full-time captain. Her hull design along with Cat C32 ACERT engines gives her the ability to cruise at 23 knots and will top out at 29. Lightly used, never chartered and a must see for any buyer looking in the 100' range.

Starting, Saturday, May 30th, 2020, yacht previews every Saturday & Sunday 1:00 PM-4:00 PM, Private appointments available, Call for details.

Overview

Irish Rover is the largest Marlow currently available on the market and is in excellent condition. She has very low hours and has always been maintained with an open checkbook and full-time captain. Her hull design along with Cat C32 ACERT engines gives her the ability to cruise at 23 knots and will top out at 29. Lightly used, never chartered and a must see for any buyer looking in the 100' range.

Accommodations

The main deck offers a formal dining area to accommodate eight, separated from the main salon by a pillared custom sculptured glass divider that changes colors with lighting effects and contains a large pop-up television. The galley enjoys its own doorway to the side deck to make provisioning a breeze. The upper deck sky-lounge and command bridge are well arranged with plenty of space, a comfortable corner settee with table, and a day head. Just outside the sundeck is equipped with an outdoor galley, complete with three stools, and a built-in barbeque, and a Jacuzzi spa. This Explorer yacht has 4 microwaves, 2 stove tops, 2 outdoor country kitchens, and 2 grills (1 gas, 1 electric). The master suite is conveniently located forward on the main deck, offering owners a wonderful panoramic view out of large windows. The master head offers an incredible hand-carved white marble tub, his and hers hand-carved marble sink basins, and a simply stunning black Shanxi granite floor. Guests are also well accommodated on the lower deck with six staterooms offering a variety of space, including a very large suite in addition to two mirrored staterooms, and two cabins with double berths that are perfect for kids. A mini-galley located in the lower foyer is convenient for guests staying aboard to feel at home. The private crew's quarters, located aft of the engines, are also well situated with their own mini-galley. There is an alarm system throughout the boat. The forward section of the vessel has a water tight bulkhead and door. There is a central vacuum system throughout the yacht as well. And as with all Marlows, there are no laminate materials used, only quality woods, this one has Burmese Teak, Holly and Bamboo.

Salon

- Twin, opposing settees with storage underneath
- Ultra-Leather Upholstery
- Digital safe in salon
- Bose Home Theater LS48 (multi-zone system)
- Toshiba 42" Plasma in salon with lift
