SPECIFICATIONS

Overview

The SD112 is a tri-deck motoryacht designed for the historic Sanlorenzo semi-displacement fiberglass line. She is a testimony to great balance in terms of design, volume and performance. With 3 decks, this model carries forward features of the SD range - including curved doors, lateral windows, and the Sanlorenzo SD air funnel on the sun deck.

Made for the Americas market, she has full "Americas Edition" specifications, plus an array of exterior and interior options. These items include an extended hydraulic swim platform, flybridge Jacuzzi and shower, and a full-beam salon terrace.

The yacht can accommodate up to 12 guests. The master suite is on the main deck. On the lower deck are two VIP staterooms with ensuite heads and two twin staterooms, both with Pullman berths and ensuite heads. Crew accommodations for 6.

The boat always had a full crew on board and only one owner.

Upgraded Interior Décor: Envisioned in a soothing palettes of neutrals, this tranquil decor embraces the streamlined modernism of the Sanlorenzo yacht. The contemporary lines of the yacht have been lightened with textural natural materials and an organic sensibility in the edited, refined signature style of the designer. This style is evidenced in the unique interplay of illusions creating an interesting drama as one moves thru the yacht. Exotic, tactile materials such as smoked textured oak and laser cut leathers are contrasted with the sleekness and reflective properties of glossy lacquers against matte stainless steel trim work. The center circular staircase is a sculptural element inspired by the spiral geometry found in the Fibonacci sequence. Flanking the staircase are extraordinary panels that have been carved from natural stone into modular design textures with integrated light sconces. The 112 Sanlorenzo is a richly serene decor defined by natural elements and a light filled palette where the simplicity of the sea was the inspiration with minimalistic furniture shapes paired with bright modern colors and textured linens. **APPLIANCES**

Speed oven in galley, in lieu of standard microwave: Miele Trash compactor in galley: Insinkerator Evolution Compact 3/4 Sink and faucet in main deck bar cabinet Insinkerator sink/food waste disposal in upper deck pantry (sink and faucet standard in upper deck pantry) Dishwasher in upper deck pantry: Miele G5975 SC Vi BBQ on upper deck cockpit: Kenyon Texan B70400 WH Microwave in crew dinette (relocated from galley): Sharp R 1214 Additional sink and faucet in crew dinette Additional Frigonautica fridge in crew dinette: Frigonautica FC2 Three (3) under-counter freezers in crew area: Frigonautica
