SPECIFICATIONS

Overview

The 103-foot (31.3m) catamaran SV 103 offers exceptional connectivity to the sea, extraordinary stability and efficient sailing. The all-carbon catamaran is designed to provide the utmost comfort at sea and at anchor without compromising performance. SV 103 draws on the extensive racing and multi-hull experience of naval architects Jerome Vollet and Marc van Peteghem. She is fast and efficient with the ability to reach speeds up to 15 to 18 knots while under sail or power. SV 103 features an exoskeleton superstructure that allows for flexible layout options. Luxury sailing yacht SV 103 has an expansive interior boasting more than 140-square meters of internal living space. Showcasing a contemporary interior styling that is adorned with natural fabrics and teak flooring, the SV 103 has a relaxing and welcoming ambiance. The yacht seamlessly blends the interior and exterior to create a harmonious space that is flooded with an abundance of natural light and endless views of the cruising destination. A unique open area is found between the main salon and aft master. This outdoor wind-free space is for relaxing and socializing regardless of the weather. Yacht for sale SV 103 can accommodate up to 10 guests in five well-appointed staterooms. The luxury catamaran offers the choice of an exceptionally expansive aft on-deck master suite or two on-deck master suites — which is ideal for those interested in a charter program. The on-deck master(s) offers sumptuous comfort and unrivaled vistas of the sea. The yacht's additional guests' staterooms are located below deck. SV 103 is able to accommodate four crewmembers.
