## Overview

---

Built by Italian yard PerMare in 2008, she is hull number 23 of the highly-popular Amer 92 model.

Only ever privately owned, and never chartered, *ALDA 2* is in exceptional condition and is fresh from a 2018 refit. With low engine and generator hours, and VAT paid, she represents savvy buying for anyone looking for a quality Italian yacht. As an added bonus she also comes with a berth in beautiful Pula, Croatia until November 2019 – perfect for exploring this must-do cruising destination.

*ALDA 2* is able to welcome up to eight guests in four luxurious cabins including the large full beam master cabin. A spacious modern saloon on the main deck features lounge seating and a dining set up and leads directly out the main aft deck, ensuring seamless indoor outdoor flow. Large windows in the main saloon fill the space with natural light.

Outdoor spaces are equally generous with the main aft deck complemented by sunpads and seating on the forward main deck and the large sundeck. The sundeck is perfectly suited to entertaining and relaxing and is the quintessential outdoor retreat, with sun loungers, seating, Jacuzzi and a dining table. A stern hatch offers storage for the Williams 385 tender, water toys and equipment and the transom ensures easy on-water access for guests.

Built from FRP and powered by twin Caterpillar C32 DITA engines *ALDA 2* is able to reach impressive maximum speeds of 31 knots. Work recently completed on the yacht includes an exterior wrap in Pearl White in 2018, an interior wrap throughout guest areas, and new anti-foul and anodes. Her engines and generators have extremely low hours, with just 850 hours on both engines and under 2000 hours on the generators.
