### GENERAL REMARKS

For the past twelve years Balaju has been looked after by the same captain and a diligent professional crew. She has always been well cared for and maintained to Commercial LY3 standards. She recently had new exterior cushions and interior fabrics installed where needed, some exterior paint was done in 2015, and two brand new 125 Kw gens were installed on July 2019. She completed her ABS 15 year survey in May 2017 along with new bottom paint. She offers reliable trans-oceanic capability, having completed 14 crossings with her current owner. Over the years Balaju has enjoyed a reputation as a successful charter boat from New England to the Med. Her owner purchased a substantially larger yacht, and wants this one sold as soon as possible.
