DETAILED INFORMATION

Overview:

MB III is the latest and most advanced Hargrave on the market featuring the latest navigation & audio visual technology. With only 500 original hours on reliable Caterpillar C32 ACERT 1800hp engines, MB III remains factory owned & comes with a full warranty having only been used as a charter yacht for potential buyers. She has a top speed of 24 knots and a fast cruise speed of 21 knots, and an extended range of 1,500nm+ at an economical consumption giving her the flexibility to outrun any weather or comfortably cruise up and down the US east coast or run down to the Caribbean. MB III also has a maximum draft of under 6ft maxing her the ideal Bahamas boat assuring no limitations due to shallow draft. Zero speed stabilizers assure guests complete comfort even in bad weather conditions. MB III is an extremely large volume yacht with over 7ft headroom throughout. She comfortably sleeps 8 guests in 4 en-suite staterooms including a full beam master plus separate crew accommodations back aft that sleeps 4 in 2 en-suite cabins giving her the ideal layout for charter or private use. The sundeck onboard is best in class and takes advantage of the 21ft beam and features a massive hard top, full bar with 5 bar stools, jacuzzi with additional sitting area with 3 more bar stools, multiple sitting areas both in the shade and sun, and upper helm station. Back aft you still have room for a 16ft+ tender, 3 full size jet skis, and an abundance of water sport toys. Main salon has yet another full bar, lounge area, formal dining and day head. Continuing forward you have a large country kitchen with forward facing windows which to me is a great feature as it allows in a lot of natural light. Down below in the guest accommodations you have the 4 staterooms I mentioned before & foyer area great for setting up morning coffee or nighttime snacks for guests complete with 2 refrigerator drawers & storage. MB III offers all the amenities of a new yacht, yet has benefitted from an experienced captain & crew that have gotten all of the kinks & growing pains out assuring she is truly turn key. She is a must see for anyone shopping in this size & price range.
