SPECIFICATIONS

Overview

A lot of boat for the money the 48 Ocean MY makes a great live-aboard or coastal cruiser. The 48 Motor Yacht is a true double-deck motor yacht rare in such a small boat with a full beam salon, three staterooms and three heads. The accommodations are so expansive and well-designed that it's hard to believe this is just a 48-footer. Both the galley and pilothouse are open to the extended salon where curved staircases access both the master stateroom and the flybridge. Each of the three heads has a separate stall shower. A door in the midships guest cabin provides direct access to the full standing headroom engine room. Topsides, there is seating for a small crowd on the flybridge, while the aft deck is suitable for line handling. Additional features include a molded bow pulpit, central vacuum system, radar arch, and a foredeck bench seat. Lady Avalon is well equipped with electronics including a Garmin chart plotter, Robertson autopilot and even Naiad stabilizers!

Basic Information

Category: Motor Yacht
