DETAILED INFORMATION

Vessel Walk Through

This Viking 50 Convertible is owned by the original owner and has always been serviced by our company to the highest standards. She easily cruises in the mid 30kt range with the newer Viking hull design and MAN 1360s. With the optional extended fuel she is perfectly set up to travel or fish the Gulf. With an Ice Chipper and Water Maker there are no major systems to add and her updated Simrad electronics set her apart and make her an up to date turn key boat for the next owners. The preferred 3 stateroom with split forward berths shows as new and features custom Amtico flooring, installed by Viking, in the salon and galley. Her high gloss interior is flawless and could easily pass for a new boat.
