## Overview

---

Super Low Hour (30 Hours) 2018 Sea Vee 270Z Highly Optioned (See Below for list of installed options) Mercury 350 HP with factory warranty through April 2023\* Sea Vee manufacturer warranty on components through April 2019\*\* Remainder of 10 year warranty on Hull\*\* This 2018 Sea Vee 270 Z was delivered to its knowledgeable seller in April of 2018. It has been lift kept and professionally maintained since the day it was delivered. Even though the boat is equipped for serious fishing to include all available fishing options, this Sea Vee 270Z has been strictly used for family cruising and never has seen a fishing pole. The seller has owned and operated most of the high end center consoles and notes this Sea Vee 270Z to be the smoothest, most comfortable, and capable boat of its style and size. The Sea Vee 270 operates like a much larger boat offering comfort, dryness, storage, and fish-ability not found in 30+ foot boats. Any prospective buyer with a discerning eye towards quality and design will immediately notice that a great deal of time and effort was placed in the development of the Sea Vee 270 Z. From its patented dual, cross ventilated step hull design to its deck layout – nothing rivals the Sea Vee 270Z in its class. With this type of capability and a max range of 300 miles not many adventure spots are out of reach. The seller is so confident in the condition of this Sea Vee 270Z that he is willing to reimburse the travel expense of any party with serious intent to purchase if they find the condition of this boat does not meet their expectations! Seller's travel schedule is reason for sale. No expense has been spared in keeping boat in Bristol condition! Turn Key ready to go! Options Include: Factory Painted Warm White Fusion Mercury 350 HP Engine Dual (2) Hose Coil Kit with Carrying Tray and Nozzles Concealed Retractable Swim Ladder Fresh Water Wash-Down System Salt Water Wash-Down System Dual (2) Power Pole 10 foot Blade Shallow Water Anchors Dual (2) Power Pole Brackets Mounted to Jack Plate Pre Rig for 36 Volt Trolling Motor (Battery Cables Only) Supreme Powder Coated Aluminum Leaning Post Fiberglass Cooler with Sliding Track System and Integrated Tackle Storage Custom Stainless Steel Sea Chest Baitwell System with Dual 1500 GPH Pumps
