Description and Broker Comments

The Viking 60' Enclosed Bridge is a classic blend of cutting edge styling and world class engineering. The 60' Viking Enclosed Bridge 2009 sets the standard in her class for beauty, luxury, and performance. The four stateroom three head layout has the space you would expect in a seventy footer. The spacious salon has the dinette to starboard, U- shaped galley with granite counters, Sub-Zero refrigeration to port, and a huge Ultraleather settee aft. Forward, a 42 inch flat screen TV is mounted on the bulkhead above the dinette. As you go down the steps to the companionway the owners stateroom is on the port side with the VIP all the way forward, and both have en suite heads. There are two guest staterooms on the starboard side with the forward one with two single berth bunks, and the aft one with two over under berths. They both share a head. For many, the heart of the Viking 60' Enclosed Bridge is the 170 square foot cockpit with complete mezzanine seating with freezer under. El Samurai has been captain maintained. She has new electronics and is in great condition. If you are looking for a 60 foot plus sportfisherman this beautiful 60' Viking Enclosed Bridge "El Samurai" is a Must See!
