SPECIFICATIONS

Overview

A HOYA is one of Hunter's "Vision" line with free-standing mast and sleek lines. She's a very comfortable cruiser and lives large with her forward and aft cabins. The unstayed rig results in an uncluttered deck and all lines run through deck organizers and clutches to the cockpit for easy single-handle sailing. Her 24hp Yanmar diesel engine offers ample auxiliary power when needed. A HOYA has a couple areas needing attention (e.g. starboard port light and salon cushions), but with a little effort, at her asking price, could be fantastic.
