## Overview

---

A veteran looper ideal for 2 people. Small enough to handle and large enough to live on comfortably. Current owner took her almost 6000 miles and hates to see her go. She has great character and turns heads everywhere she goes. With her single Perkins engine she is not only a head turner but an economical option as well.

## WALK THROUGH

---

As you approach the vessel you enter through the Aft. Once aboard you may enter the vessel through the door on the back or walk down either side of the boat to access sliding side doors that directly access the pilothouse. As you enter the aft entry door the galley is directly accessible with a table and 2 chairs to your right. Headroom is measured at .... As you progress up the port side of the vessel you walk up 2 stairs to the pilothouse where you find bench style captain's seating, bilateral sliding doors with screens, a windshield that pops forward for airflow, VHF radio, navigation, and electrical control panel. As you continue forward down 2 stairs to the port you will find your head to starboard and a v-berth forward.
