SPECIFICATIONS

Overview

REDUCED 3/27/2019/ MUST SEE ! !

BARGAIN PRICED Beautiful condition CLEAN 410 Constellation Flybridge Flushdeck Motoryacht powered by Twin 454 Crusaders, NAIAD stabilizers (new 2018), constantly updated/upgraded. This boat would be an excellent liveboard or coastal cruiser, has been extremely well maintained and shows like a much newer boat inside and out. Compare to anything in the price range for cleanliness, quality construction and BIG layout.

Built from 1972 through 1986 the 41 Chris-Craft had one of the longest successful production runs in the history of production motoryachts (exceeded only by the 53 Hatteras Motoryacht) due to her heavy construction, classic style and fantastic accommodations even by today's standards.

Don't let Gas engines scare you off this boat unless you are planning on very long range cruising and, even then, run her like a trawler and she will not treat you badly ! ! If you are the average weekend warrior boater or someone looking for a great spacious liveboard in the 40' range, This boat is in EXCEPTIONAL condition for a 32 year old boat. Fiberglass is not dulled out at all, Blue accent striping is in great shape, varnished teak aft rails are in superb condition, no pitted chrome, original Chris Craft pattern non skid is perfect fcor safely traversing fore and side decks, Interior wood and furnishings very clean as is engine room. PRIDE OF OWNERSHIP is very obvious in this Classic Chris MY
