WASANA would suit a new boat buyer and is outfitted with upgraded electronics and automated features which make going out with only two people quite possible.

A light, Italian contemporary finish can be found throughout the yacht, accented by high-end fittings and fixtures. This space is flanked by giant circular hull windows and a sofa with a view. The en-suite bathroom has twin marble his-and-hers sinks, a bidet and large shower with an oversized shower rose surrounded by glass. The VIP cabin boasts a double bed with beautiful en-suite. The double to port and bunk cabin starboard both also offer en-suite bathrooms.

The yacht's flybridge is simply amazing covered by a lightweight carbon top with integrated sunroof provides protection from the elements when you need it.
