Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Features

BROKERS WALK THRU

A Very Impressive 500 Sundancer. You would never believe she is 20 years old. She is very clean and well cared for by her (experienced) current owners who have owned her for ten years. The seller has developed a health issue which is not enabling them to be a boat owner any longer. They did, however, go through the boat to ensure that it is water ready for the new owner.

Only 440 Hours on the engines. Low use on the generator. Cold Air Conditioning. Newer Electronics. Everything works and even the bottom paint is only one year old. I could go on and on, but this should be the next 500 to sell.

COCKPIT ACCOMMODATIONS

Cockpit Seats 13

Large Helm Seating will Seat four w/ a Deluxe Captain's Chair

11 Kw Generator

Water Heater

Manufacturer Provided Description

The distinctive Sea Ray 500 Sundancer mid-cabin combines impeccable

lines, luxurious comfort, and unconditional seaworthiness. The 500 Sundancer is designed for serious cruising in uncompromised comfort. At the helm station, an adjustable captain's chair faces a wrap-around instrument console. Adjacent to the swivel helm seat is a large padded bench. The large, open cockpit provides a wet bar for refreshments, comfortable wraparound seating for eight, and a custom-engineered digital cassette stereo system with four speakers and cockpit remote control. Down four steps, the salon features a plush circular sofa with a convertible cocktail table - ottoman which can be raised to form a convenient dining table. An advanced stereo system, featuring cassette and compact disc, is acoustically matched to the interior to provide custom-equalized sound. A custom-built breakfast counter with padded bar stools separates the salon from a fully appointed walk-in galley with refrigerator-freezer, three-burner cooktop, and microwave. Portside, across from the galley, the guest stateroom includes a double bed with upper berth, cedar hanging locker, and full head with vanity and shower. Forward, a comfortable settee and a queen-size bed with custom designed sheets and bedspread grace the master stateroom. Cedar-lined hanging lockers with mirrored doors and a large mirrored dresser are included. The en-suite master head has a ceramic tile floor, VacuFlush head, vanity, and shower with a built-in seat.

Power Boat Guide

Sea Ray's largest Sundancer model ever when she was introduced, the 480 Sundancer (called the 500 Sundancer in (1992-99)) was one of the most impressive express yachts on the market during the 1990s. With her long foredeck and sleek profile, the 480/500 combined luxury and extravagance in what was once a state-of-the-art package. Her sheer size is impressive enough, but it's the expansive, high-style interior that caused first-time viewers to catch their breath. Here, laid out on a single level and presenting a panorama of curved bulkheads and designer furnishings, the Sundancer's accommodations rival those of a small motor yacht. There are two private staterooms, two heads (each with a stall shower), a plush U-shaped sofa aft, and a wide-open salon with excellent headroom throughout. The cockpit—with its triple companion seat, full wet bar, and circular lounge seating—can seat a small crowd. Additional features include a reverse sport arch, wide side decks, and a huge engine room.

Exclusions

Owner's personal belongings.
