DETAILED INFORMATION

Vessel Walkthrough

“Last Lap” is an Ocean Alexander 42’ Altus CPMY with the preferred Yanmar 440hp Diesel option, full lower helm station with custom helm seat, 12KW Northern lights gen set, bow thruster, and excellent electronics package. A great design for the cruising couple. “Last Lap” conveys with the original port settee, as well as the current 2 lounge chair to port configuration.

The large cockpit offers easy access to the lazarette and engine room, as well as the flybridge, and swim platform.

Ocean Alexander’s interior use of varnished teak panels, granite counter tops, and stainless steel lends a warm yet contemporary feel for the cruising couple. The deck layout and flybridge offer safety and comfort and would make an ideal Bahamas or “Great Loop” cruiser.

The galley to port is large and is directly integrated with the sumptuous main salon, and lower helm station.

The two large aft salon sliding doors open directly to the same level cockpit which further enhances space, and usability, particularly while running “Last Loop” from the complete lower helm station.

“Last Lap” has a large forward owner’s stateroom with ensuite head, and the guest stateroom offers more space, storage and cabinetry due to the optional twin single berth arrangement. The second head offers a stall shower, granite, and Vacuflush head.

“Last Lap” has received a recent gunnel up exterior paint job, and is seriously for sale and easy to preview.

Salon

- 42” LG HD flat screen with remote operated TV raise/lower
- Carpet
- Throw rugs
- LED lighting
- (2) Interior options-full sofa or (2) reclining chairs
- Privacy shade
