## Overview

---

Villa D Este is a well maintained aft cabin motor yacht. She has new canvas on the flybridge, new windshield cover, all the windows and port holes have been replaced!

This is the widebody model with the enclosed heated and air conditioned aft salon room that also includes the optional wet bar. This is a wonderful place to entertain and relax.

You will not believe the size of the aft cabin on this boat! It is very spacious with a settee area to stern on the starboard side along with his and hers closets and an en-suite head with shower.

The galley/dining area is very spacious and bright with windows on three sides. Equipment includes a full size residential refrigerator, Kenyon 3 burner cook top, microwave/convection oven along with a flat screen TV for the chef or guests to view while creating culinary masterpieces!!!

Below and forward there is a combo washer/dryer with a folding area as well as a large bow cabin with an adjoining head/shower.

The engine room is well laid out making regular maintenance much easier than other yachts of this size. This boat also uses a sea chest to reduce the amount of thru hulls and their related issues! There is plenty of room for spares! Propulsion is provided by twin CAT 3208 Turbo Diesels rated at 320 HP each, port engine has 851 hours and the starboard 853 hours. There is also an Onan 8 KW generator with 825 hours on it. Additional equipment includes an ESI fuel polishing system.
