Manufacturer: John Deere

Model: 6135SFM

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Description

Welcome aboard RED HERRING, a single owner 2014 Hampton Endurance Sky Lounge. She features a three-stateroom, two-head layout with en suite showers. She has an amidships, full-beam Master Stateroom with walk-in closet, Guest Stateroom to port and VIP Stateroom forward with en suite access to guest head. She is extremely well equipped with a full array of Garmin electronics, hydraulic bow and stern thrusters, and Wesmar stabilizers.

RED HERRING has always been very well-maintained, up-to-date with all service work and has low hours.

Walkthrough

Step aboard RED HERRING to a spacious covered Aft Deck that features a large settee with inlay teak table and four teak chairs, two control stations to either side, perfectly hidden day head to starboard and port side stairs to the Flybridge, which features a slide door to seal the Aft Deck.

The Flybridge is accessed from the stairs on the Aft Deck or from an internal staircase to port, across from the Galley. The Flybridge has a L-shaped seating area with table for entertaining, and a full instrumentation helm station with three (3) STIDD helm seats. The aft section of the Flybridge has a sunbathing area with two (2) lounge chairs and table with umbrella. Forward of this is the wet bar with sink, grill and fridge.

There is a Portuguese bridge prior to the foredeck which has port and starboard settees facing forward. Entering the Salon through aft sliding glass doors you find two barrel chairs to port, an L-settee to starboard with another barrel chair aft and a large teak coffee table all in easy viewing of the entertainment center.

Just forward of the Salon you find the Galley starboard with stairs to Flybridge across on port side. The Galley offers the feel of a real kitchen with its stainless steel appliances and fittings, granite countertops and flooring, along with 3 aft facing bar stools at the breakfast bar. Forward of the Galley, there sits an extra-large U-shaped dinette and inlay teak table that easily sits six (6) people.

Down the spiral stairs, you will find two (2) heads and washer/dryer. The VIP Stateroom sits forward and features an island berth and en suite access to guest head and stall shower. A twin Guest Stateroom is to port, just across from the guest head. In the companionway just outside the Master Stateroom, the washer/dryer is hidden in a large cabinet to starboard.

RED HERRING features a full-beam Master Stateroom with king berth, en suite head and shower, plentiful storage and a walk-in closet with hanging lockers.

Salon

- 46" LED HD TV
- Audio controls
- Bose surround sound system: Audio/DVD
