SPECIFICATIONS

Overview

"WILDHARE" has a ride unlike any center console I've ever been on and must be experienced to be appreciated. She's been custom designed with performance in mind: the 100 gallon additional fuel tank and battery bank were moved into the bow to evenly distribute weight and reduce bow rise.

The seller's goal in building this 400CC was not to maximize speed at WOT, but to achieve the fastest possible cruise speed: over 50mph at 4,000RPM burning 80GPH total.

However, the seller has also reported a top speed of over 80mph, making her the *fastest Intrepid ever built*.

Triple 627HP Seven Marine Engines have 290hrs and warranty until 4/15/2021.

She is dry-stored indoors with no bottom paint. With a new Intrepid on the way, the seller is ready to make a deal --- offers strongly encouraged.

Key Features Include:

- Swing In Dive Door with Fold-Out Swim Ladder
- Additional 100 Gallon Fuel Tank
- Garmin Electronics
- Extended Hard Top with Custom Aluminum Arch
- Batteries Replaced 5/2018
- JL Audio System
- Removable Aft Bench Seat
- Forward Seating with Electric Back Rests and Removable Table
- Vetus Bow Thruster
- Canvas Covers for Bow, Console, and Aft Seating
