## Overview

---

**Good Quality, High Demand, Motorsailer!! Must See!!**

**Sellers have spent the last 6 winters and springs cruising and living aboard this beautiful vessel. Stored High, Dry and Prepped for every hurricane season, they have now decided to put her on the market and let her go. The boat is in above average condition for her age and has all of the features you would need for a live aboard either dockside or on the hook. Come see this beauty for yourself, and if you are truly in the market for this style boat, you will make an offer.**

**\*Furling Mainsail, \*Furling Genoa, \*Furling Innerstay, \*Perkins 4108 Diesel Engine - 2766 Hours (recent work and updates Dec. 2018), \*Northern Lights Generator (Needs new manifolds, risers and hoses \$3k), \*New Bottom Paint (Dec. 2018), All New Zincs (Dec. 2018). \*Anchor Windlass, \*Hydraulic Steering, \*GPS, Chart Plotter, Fish and Depth, Radar, \*Auto Pilot, \*Air Conditioning and Heat, 6ea. Solar Panels, \* Caribe Hard Bottom Dinghy w Outboard, \***

# DETAILED INFORMATION

---

## Features

---

### BROKERS WALK THRU

A very well cared for live aboard motorsailer that was used as a live aboard during the snowbird season in Florida. Every spring she was hauled out and stored for hurricane season. Every Fall she was prepped and launched for the dry season mainly dock side at a marina; she is also equipped to handle live aboard conditions on the hook.

The boat has just been prepped and gone through mechanically for the new season, but the sellers have decided not to live aboard this season.

The boat is ready to run and ready to live aboard for the new buyers. If the new buyers want to live aboard on the hook, new manifolds, risers and hoses for the generator may need to be purchased (If you are expecting to use the generator).

Brand New Bottom Paint December 2018

### RECENT MECHANICAL WORK

Diesel Marine Mechanic just went through the engine and has her ready to run. Working on getting the list of what was completed and it will be updated here.
