SPECIFICATIONS

Overview

Delivered for her first owner in 2014, FAR NIENTE is a seaworthy, aft-pilothouse yacht capable of offering extreme comfort, luxury and capability. She incorporates the latest thinking in design, systems and technology and packages it all into a beamier, heartier hull. The interior is stunning with modern styling and beautiful teak joiner work. And despite the size advantage, this yacht is just as easily managed by a cruising couple without need for captain and crew.

Being a pilothouse model, the foredeck is open so there are deck hatches for lots of light and ventilation. This is especially noticeable in the full-beam owner stateroom and its luxurious head and shower forward. There are full size vertical port lights positioned on either side which show off breathtaking views. Located just two steps down and forward from the saloon/ galley area, the bright and airy stateroom offers its owners a pleasant haven for an afternoon nap or good night's sleep. Guests are treated to two luxurious staterooms located on lower deck, both with en-suite.

The 400hp John Deere engine gives FAR NIENTE a cruising speed of 8 knots and a range of 2,400 nautical miles.
