SPECIFICATIONS

Overview

She is located at a covered slip in **St. Petersburg, FL**.

I'm selling my Sea Ray because I just got a bigger catamaran.

It's a **VERY VERY CLEAN** yacht cruiser. You will not find anything as clean as this in the market.

Twin 8.1L Mercruiser Engines. **BOTH ENGINES FULLY SERVICED** and running perfectly.

This boat was always kept in a **COVERED SLIP**, unlike most of the same category boats out there.

This Sea Ray is an incredible Yacht Cruiser, very fun to drive with lots of luxury perks aboard.

The 34's two-stateroom, one-head layout is plenty comfortable for weekend cruisers, either a family with one or two young children or a couple who occasionally overnights with another couple.

The forward stateroom features a queen island berth, hanging lockers on the port and starboard sides. There's private access to the port-side head, which is also accessible from the saloon. The head features a VacuFlush MSD, mirrored medicine cabinet, and a separate compartment with a roomy, stand-up shower with 6'2" headroom.

The midcabin, at the after end of the saloon under the bridge deck, offers slightly more than five-foot headroom and has sliding curtains that, when drawn, separate the stateroom from the saloon for privacy, so it'd be fine for kids or adults. It's not a particularly bright space, a common situation in a midcabin, but there is a small porthole and port lights on both sides of the L-shape Ultraleather settee that converts into a double berth.

She's a perfect vessel to get the whole gang together for fun on the water and under the sun.
