SPECIFICATIONS

Overview

Carly Anna is a 2005 Catalina 310 that accommodates 2 couples comfortably and is setup for short hand sailing. She is stiff in a breeze, has a roller furling jib, and her large cockpit is comfortable and well laid out. All lines lead into the cockpit and two self tailing winches are set beside the skipper. She features a 26 horsepower Universal diesel engine, full function galley with refrigeration and queen size aft berth. If you are looking for a great weekend cruiser for friends or short handed then come see Carly Anna.

DETAILED INFORMATION

Main Description

Carly Anna is a 2005 Catalina 310 that accommodates 2 couples comfortably and is setup for short hand sailing. She is stiff in a breeze, has a roller furling jib, and her large cockpit is comfortable and well laid out. All lines lead into the cockpit and two self tailing winches are set beside the skipper. She features a 26 horsepower Universal diesel engine, full function galley with refrigeration and queen size aft berth. If you are looking for a great weekend cruiser for friends or short handed then come see Carly Anna.

DECK AND RIGGING

Carly Anna is special built for short hand sailing. Catalina designers set the 2 two speed Lewmar winches within easy reach of the skipper, and all rigging lines go through fairleads set at the front of the large cockpit. There is good visibility from the helm, a large table, ample side seating, and two rail mounted aft seats. There is a pass thru transom and aft swim ladder. Going forward there are stainless steel grabrails, stainless steel stanchions and wire lifelines. There is a small centerline opening hatch amidship and a larger opening hatch forward. The main mast has inmast furling and there is a roller furling on the jib. The bow pulpit is stainless steel and the anchor locker is in the deck below. The standing rigging is twisted wire with turnbuckles, and there are molded in jib tracks.

ACCOMMODATIONS

Catalina designers added many of the features found only on larger vessels and created a "big boat with a small hull". Four angled steps lead down into the honey toned teak interior where the yacht like finish is apparent. There is a large double aft berth under the cockpit with lighting and storage compartments, and a small, angled chart table. The forward berth is separated by a bulkhead with an opening. It features custom mattress, opening ports, teak shelf, and large drawer storage. The salon area has a settee with dining table to port, a small love seat and larger lounge seat to starboard.

GALLEY AND DINING

The L shaped galley is to starboard at the bottom of the companionway steps. Features include:

- Large amount of counter space
- Top load and front load Alder- Barbour fridge
- Single large stainless steel sink
- Cabinet storage above and below
- Hillerange 2 burner gimbaled gas stove

Dining areas on Carly Anna are at the main dining table in the salon and at the smaller table in the cockpit.

HEAD

The Head on Carly Anna is well thought out and roomy. Features include:

- Solid surface counters
- Hot and cold pressurized water
- Hand pump head
- Mirrored vanity
- Aft semi shower stall
- Cabinetry storage

Electronics

Electronics on Carly Anna include:

- Furuno GP32 gps
- Standard Horizon Quantum GX236OS VHF radio
- Sony CD player
- Autohelm wind indicator, trip log, and depth indicator
- Autohelm autopilot

Exclusions

Owner's personal belongings.
