SPECIFICATIONS

Overview

CLASSIC LRC

"Hatteras" says it all!

These boats were built to an extremely high standard and are as seaworthy today as they were in 1976. This particular boat has spent all but the past two years of her life in freshwater. Her current owner says that she is in great mechanical condition and he would have no reservations about taking her on a long range voyage. If you are looking for a "LOOP" boat or a great live aboard, you should put this one at the top of your list.

Current owner would consider a "buy back" option/contract. You could do the Great Loop and have a buyer waiting upon your return.

Basic Information

Category: Motor Yacht

Sub Category: Long Range Cruiser

Model Year: 1976

Year Built: 1976
