DETAILED INFORMATION

Features

Brokers Walk Thru

This is a well cared for boat and you will be very hard pressed to find a nicer one in it's vintage in her price range. She features very low hours on her engines as well as the generator. The out-drives are Volvo's composite out-drives and sit in the water just fine. She also features brand new bottom paint. There is a brand new Garmin 741xs included it also comes with the transducer that still needs installed.

The boat jumps up onto plane almost instantly. Cruises nicely at 25-30 MPH, depending on conditions and can reach 40 MPH.

Manufacturer Provided Description

The Monterey 322 Cruiser has a forward raked radar arch that casts an eye-catching profile on this contemporary classic. Sleek, sophisticated and stylish, the 322 Cruiser has features like a molded-in anchor pulpit, foredeck sunpad, three strategically located deck hatches, and an easy-access walk-through windshield. The oversized cockpit boasts a portside molded-in working wetbar with storage and an optional icemaker. The stylish helm offers a split three-person bench seat, and when it's time to go overboard, there's a large transom swim platform with a recessed, telescopic boarding ladder. The popular extended swim platform that comes with its own recessed boarding ladder is an option. Aboard the flagship of the Monterey line, hatches and portholes make the interior a bright, airy haven. A comfortable forward double berth with privacy curtains and a plush mattress mean secluded luxury for overnighting. The starboard L-shape dinette converts to a cozy berth. Direct / indirect 12-volt lighting creates a warm, well-lit ambiance enhanced by the rich, robust tones of a premium grade sound system. A well-equipped galley comes with standard coffee maker and microwave oven. The enclosed head features an integrated shower seat. There's plenty of storage below, too.

Exclusions

Owner's personal belongings.
