DETAILED INFORMATION

Vessel Walk Through

This 310 Sundancer is one of Sea Rays most popular models. Innovative styling and timeless design provide an excellent family cruiser. Built on a deep V hull the 310 Sundancer has spacious accommodations both above and below decks. The spacious cockpit features a wrap-around lounge, large wet bar with electric grill and refrigerator and walk-through windshield for safe and easy access to the foredeck. The full camper canvas is only 1 years old and provides protection from the sun and weather. A foldaway transom bench seat is an added bonus.

A power engine hatch provides excellent access and serviceability to the powerful 350 MAG Mercruisers.

Below decks is a well-designed cabin with settee to starboard and a fully equipped galley to port. Cherrywood cabinetry and up-scale décor gives this yacht a luxurious feel. Her forward berth sleeps two and the mid-cabin converts from U-shaped seating to a full size berth that also sleeps two. The salon settee also pulls out to make a full size berth. The enclosed head features a Vacuflush toilet, vanity and shower. This yacht has everything you need for extended cruising or weekend trips. This is an inboard model which lends itself to keeping the boat in the water or on a lift. New risers and manifolds, freshly serviced engines, new batteries and excellent care make this a turnkey vessel.

Call today for an appointment to see this exceptional value.
