

ARMAGNAC — OFFSHORE

Builder: OFFSHORE

Year Built: 2010

Model: Motor Yacht

Price: PRICE ON APPLICATION

Location: United States

LOA: 76' 0" (23.16m)

Beam: 19' 3" (5.87m)

Max Draft: 5' 8" (1.73m)

Cruise Speed: 17 Kts. (20 MPH)

Max Speed: 23 Kts. (26 MPH)

Our experienced yacht broker, Andrey Shestakov, will help you choose and buy a yacht that best suits your needs **Armagnac — OFFSHORE** from **our catalogue**. Presently, at **Shestakov Yacht Sales Inc.**, we have a wide variety of yachts available on **our sale's list**. We also work in close contact with all the big **yacht manufacturers** from all over the world.

If you would like to buy a yacht **Armagnac — OFFSHORE** or would like help answering any questions concerning purchasing, selling or chartering a yacht, please call **+1(954)274-4435**

SPECIFICATIONS

Overview

Price Just Reduced: \$100k!!!! **Introduction**

This one owner 76 Offshore features a long list of desirable options in addition to the industry's most impressive standard equipment inventory.

Armagnac features optional Caterpillar C-32 1550 HP engines and a breathtaking high gloss interior finish that will impress the most demanding future owner. Add to that, bow & stern thrusters, ABT 9 sq. ft. stabilizers, two Northern Lights 25 KW generators, his and hers heads in the master stateroom, plus excellent crew quarters aft of the engine room....In short, a total "big boat" systems design with the legendary Crealock "Softest ride on the water" hull design, built for all sea and weather conditions! Annual maintenance just performed on 10/22/18 to include but not limited to: Engine/Generator service, bottom paint, zincs, hull wax, and thru hull service.

Basic Information

Category: Motor Yacht

Sub Category: Pilothouse

Model Year: 2010

Year Built: 2010

Country: United States

Fly Bridge: Yes

Cockpit: Yes

Dimensions

LOA: 76' 0" (23.16m)

LWL: 75' 11" (23.14m)

Beam: 19' 3" (5.87m)

Max Draft: 5' 8" (1.73m)

Speed, Capacities and Weight

Cruise Speed: 17 Kts. (20 MPH)

Max Speed: 23 Kts. (26 MPH)

Displacement: 136000 Pounds

Water Capacity: 600 Gallons

Fuel Capacity: 2400 Gallons

Accommodations

Total Cabins: 3

Sleeps: 6

Total Heads: 4

Crew Cabin: 1

Crew Berths: 2

Crew Sleeps: 2

Crew Heads: 1

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C-32

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

SPECIFICATIONS

HULL DESIGN

Planing hull, deep vee bow entry, generous flair @ bow sections, raised chine, prop pockets, integral

swim platform, keel extension for propeller protection, underwater exhaust with frp exhaust barriers

HULL CONSTRUCTION Hand laminated FRP utilizing only bi-directional & uni-directional material, vacuum bagged Core Cell

solid laminate below the water line with high quality iso & vinylester resins

Full-length hull girders of high density foam cores with bi & uni-directional material

Exterior hull finish in high gloss "Cook" gel coat, Reichold Hydrex vinylester resin laminate

Multiple athwartship girders reducing panel size and increase impact strength

Cored structural bulkheads padded @ hull, bonded as per schedule

Full length keel increasing directional stability and propeller protection

Putty coated bilges for smooth finish

All bonding of hull to deck, roofs to cabins done with FRP, exterior finished w/gel coat

30 mil epoxy barrier coating and bottom paint with limited 3 year osmosis warranty

Sealed bow compartment with water tight hatch

Structural upper and lower FRP rub rails capped with solid stainless steel

Prop Pockets to reduce propeller draft

Raised chine to reduce wave noise at anchor

Port and starboard hull doors for convenient access

Portlights recessed in hull sides for protection

Hull side port lights thru bolted for added safety

Detail/whale stripe enhancing appearance

SUPERSTRUCTURE & DECK Hand laminated FRP utilizing bi-directional & uni-directional material w/Core Cell sandwich, high quality

ISO resin, vacuum bagging, deck mechanically & FRP bonded to hull

Suitable high compression cores as required for hardware mounting

Exterior finished w/high gloss "Cook" gel coat all surfaces, two tone non skid finish at decks

Main deck soles and engine room bulkheads padded & cored w/appropriate sandwich materials

High bulwarks protecting recessed walkaround decks

Leak proof window frames molded into cabin sides

Gel coated joint at overhead deck liner to main cabin sides

Molded in multiple facet & plank lines for detailed appearance & strength

EXTERNAL PARTS Hand laminated FRP construction utilizing Core Cell sandwich vacuum bagging where appropriate of exterior doors, molded in recessed window & door frames & exterior window frames, radar arch, internal storage bins, port & starboard bulwark doors

Molded & gel coated finish of interiors of all FRP hatches & doors

FRP forward fashion plates and rear fashion plates

Tinted tempered window glass (10mm fwd, 8mm side and aft)

Flush FRP recessed access boxes for exterior plumbing & electrical fittings

Exterior materials of gel coated FRP, stainless or optional teak, no exposed aluminum

PROPULSION SYSTEM Twin C-32 1550HP "Caterpillar" diesel engines with vibration damping mounts, 24V/75Amp alternators, ZF-550A 2.64:1 gears w/Centra dampening & live PTO

Stainless steel #316 (w/316-L rod) exhaust risers w/zinc plugs connecting to FRP underwater system w/bypass pipes to "Aqua Quiet" mufflers

3" "Aquamet #22 High Strength" propeller shafts

Bronze V struts with "Cutlass" bearings & damping insulation

Bronze intermediate struts with "Cutlass" bearings

Five blade expanded ratio computer designed propellers

Hydrodynamic stainless steel rudders per design

Dripless propeller shaft glands ("Tides") with dual cooling lines

"Tides" rudder shaft seal and bearings

ABT 9' roll fin hydraulic stabilizers and 40 hp bow & stern thrusters w/hydraulic raw water cooling pump

Twin Disc electronic engine controls @ pilothouse, flybridge and aft deck

"Hynautic" power steering system

Engine room start/stop panels with engine gages

Visual & audio alarms for engine systems @ pilothouse & flybridge

ENGINE ROOM & BILGES White aluminum perforated covering on overhead, side, fwd, aft engine room bulkheads covering multiple layers of the latest technology sound insulation

Welded stainless steel engine beds (electro polished)

Two marine grade aluminum fuel tanks @ fwd blkhd, sight gages (900 gallons each)

All aluminum fuel tanks insulated to minimize condensation and noise transfer

Vinylester/FRP keel/center line fuel tank (700 gallons)

Fuel manifold system for supply & return management with 2" crossover for port or starbd fuel fill

Sight gages (marine grade w/protective guard) at fwd blkhd fuel tanks

Marine grade bronze sea cocks for through hull skin fittings

"Groco" sea strainers at all raw water intakes

Main seawater intakes plumbed for emergency bilge pump use

Full flow stainless ball valves for all piping systems

Dual Racor marine filter system with vacuum gauge for main engines

Racor #500 marine filter systems with vacuum gauge for both generators

Tank level indicator system for fuel, water and waste tanks

Six high output 24v bilge pumps w/"Ultra" automatic switches & high water alarms

High output "Whale" 40 manual bilge pump

"Delta-T" engine air intake system minimizing water ingestion, recessed & color matched to exterior

Four "Delta-T" 11" 120V/AC engine room blowers

Engine room 24V/DC lights X 4pcs and 120V/AC fluorescent lamps X 4 PCS

Engine room video camera system (2 cameras)

"Fire Boy" MA 1800 automatic fire extinguishing system w/engine shut down system

S.S. safety rails along inboard engine stringers

24v "Reverso" fuel transfer pump

"Reverso" 24V/AC oil change system with 2 x 30 gal oil tanks for main engines, transmissions & both generators

24v low profile S/S dome lights @ forward pump room & thruster/chain area

Fresh water wash down faucet in engine room

Integrated overhead storage lockers above engines

Stainless floorboard frames, floorboards covered with non skid vinyl & trimmed with teak

Labels on all thru hulls

EQUIPMENT Dual "Muir" 3,500lb 24V vertical anchor windlass' with three station controls

Dual stainless CQR 110 lb bow anchors with 300 ft 7/16" HT chain each and chain stoppers

"Hynautic" 62" trim tabs with controls @ pilothouse and fly bridge

"Steelhead" 2000 lb hydraulic davit with cable, boom and rotation functions

"Marine Air" 90,000 BTU expansion air conditioning system

"Reverso" 24V/AC oil change system with 2 x 30 gal oil tanks

Triple "Buell" low profile dual trumpet air horn w/120v compressor, compressor outlets @ lazarette & engine room

“Exalto” stainless articulating windshield wipers w/washer system

5 “Tecma” silent flush heads

120v “Headhunter” holding tank discharge pump

24v "Sealand" standby macerator pump

Deck discharge for holding tank

Six 24v bilge pumps with "Ultra" automatic switches

“Ultra” system high water bilge alarm w/warning lights at pilothouse

Gate valve at each watertight structural bulkhead

“Headhunter Mach 5” 120v fresh water pressure pump w/filter & accumulator tank

“Headhunter” 24v standby water pressure pump

"Allcraft" 35 gallon and 12 gallon 220v s/s hot water heaters

Two shower sump tanks designed for convenient access

Port & stbd (or fore & aft) dockside water pressure connection

Central drain system minimizing thru hull fittings

"Nutone" Central Vacuum System

Two Salon AC 12BTU Air Handlers

18BTU AC Handler with 16BTU

ELECTRICAL SYSTEM Two “Northern Lights” 25 KW diesel generators, 24V start w/whisper sound shield with gas/water exhaust separators and E.A.R. anti vibration mounts

Four “MKI” 8D gel cell main engine start batteries (24v)

Two “MK” 4D gel cell generator start batteries (24v)

Ten “MK” 8D gel cell batteries for ship's 24v system

Battery cross over capability for main engine and generator batteries

"Xantrex" SW-40/24 4kw inverter/120Amp charger with high temp. shut down

“Newmar” PT-24-40CE, 24V ship service back up charger with high temp. shut down

“Newmar” PT-24-20CE, 24V engine battery charger with high temp. shut down

Additional 60amp 24v alternator on each engine for ship service systems

Digital DC charge rate, DC ampmeters and DC voltmeters

24V & 12V back-lit distribution/circuit breaker panels w/amp & volt meters

120V & 240V back-lit distribution/circuit breaker panels w/amp & voltmeters

Four “Mastervolt” 20amp converters, 24V to 12V

Two Charles Marine 50amp isolation transformers

“Marinco” Shore power 125/250V-50A, phone and TV cable inlets port & stbd side (or fore & aft)

“Glendinning” CM-7 cable master, 240V 50 amp w/75' cable located aft

Vimar switches and outlets in accommodations and living areas

Halogen overhead “Cantalupi” lighting w/dimmer controls throughout

Wall sconces or reading lights in staterooms and heads as appropriate

GFI breaker protection as appropriate @ deck, galley, heads, engine room & lazarette

Breaker protection at each AC source

Electrolysis bonding & grounding system w/two 6” x 12” zinc plates and shaft scratchers

High quality shielded RG-6 CO AX for TVs

Tinned high temperature wiring, UL approved

“Panasonic” phone/intercom system, 7 station

“Winegard” TV antenna booster & selector switch

ACR Search light

Spreader lights at radar arch

ELECTRONICS & NAVIGATION EQUIPMENT FOR BOTH PILOTHOUSE AND FLYBRIDGE:

Garmin 7215 Chart Plotter / GPS

Garmin GM1 10 multi display wind/depth

Furuno RD33 depth

Simrad AP28 autopilot

ICOM-M604 radio

ICOM command mic II two stations

Furuno NAVnet Vx2 radar

ENTERTAINMENT "BOSE" Stereo system

Direct TV with 5 SAT receivers

37" LCD TV @ salon & "Polk Audio" surround speakers @ Salon

"Polk Audio" speakers @ pilothouse, master, VIP, mid guest cabin

20" TV @ master stateroom, 15" TV @ VIP and mid guest stateroom

DVD player

MAIN DECK Walkaround decks with high bulwarks midships

Two tone non skid @ all decks, pilothouse roof white non skid

Molded in multiple facet & plank lines for appearance and strength

Exterior stainless 316 grade (including screws, bolts & nuts), welds ground & polished

1 ¼" s/s hand rails and bow

Port and starboard bulwark doors

"Marquipt" three step side boarding ladder with integral bulwark FRP storage locker @ stbd deck

"Manship" overhead hatches w/"Oceanaire" sliding screens/shades

"Manship" s/s port lights powder coated to match gel coat

316 s/s hawse holes w/cleats, 316 s/s bow chocks, 316 s/s deck cleats

Waterproof "Cantalupi" deck lights and LED safety lights

Aluminum reinforced exterior doors, exterior covered w/FRP & gel coated, interiors covered

w/matching interior wood, stainless steel door frames

Bow & stern staffs, s/s sockets allowing port & starboard deck access from pilothouse

Port & starboard storage lockers at bow

Fresh and salt water wash downs at bow

AFT DECK COCKPIT & SPORT DECK

Aft deck engine & thruster controls, rudder indicator & engine start-stop switches

Port aft deck storage cabinet with covered sink, Isotherm refer & teak ventilation grates

Starboard aft deck storage cabinet with hatch/ladder to lazarette, crew & engine room

Molded FRP seat

S/S ladder to boat deck with overhead hatch

Two aft deck flood lights with molded FRP pods

Hand held shower @ sport deck

Fresh water wash down @ sport deck

Poly Planar water proof speakers in aft deck overhead with volume control

Camera at aft deck

60" swim platform with 4 removable stainless 2" diameter U-handrails

S/S pop up cleats @ sport deck

S/S swim ladder @ sport deck folding into storage locker

Teak Decking at California Deck, Port & Starboard Stairs to Cockpit

Teak Caprail at California Deck

Single large aft deck table with fore and aft slide

Double Gaggenau BBQ with safety switches at starboard aft deck cabinet

Aft deck wing doors

FLYBRIDGE & BOAT DECK Manship door/hatch access to/from pilothouse

Strataglass equivalent Enclosure

Helm station w/complete engine instrumentation, function alarms & rudder indicator

Lexan venturi windshield w/stainless steel frame

Two Pompanette AS21 Helm chairs s/s flush mount pedestals with 360 degrees s/s footrest

FRP "L" seat, storage under with teak ventilation slats

Two large boat deck teak with holly inlay tables with S/S supports posts

Starboard cabinets with sink, stainless steel "Isotherm 85" refrigerator & teak ventilation grates

FRP radar arch with flood lights with molded FRP pods with additional custom SS Radar Arch

Steelhead 2,000 lb hydraulic cable, boom and rotation davit w/ dedicated hydraulic system

Maxwell Chain Counter

Boat deck drained to waterline with integral drains and scuppers

1 ¼" s/s handrails @ boat deck w/welded s/s life lines

"Manship" s/s hatch and s/s ladder to California deck with s/s safety rail

S/S ladder to hard top roof

Fresh water wash down outlet

Poly Planar waterproof speakers in radar arch with volume control

Custom hard top w/ ss radar arch w/ dome & radar mounts

PILOTHOUSE Helm station w/complete engine instrumentation, function alarms & rudder indicator

Hart tank tender system for liquid levels

"Tank Watch" level indicators at holding tanks

Maxwell Chain Counter

Back lit AC & DC distribution/breaker panels

Chart table/locker w/navigation lights and magnetic compass

Halogen "Cantalupi" lighting w/dimmer controls

Rocker switches with indicator lights for bilge pumps, lighting & other functions

Three stainless "Exalto" articulating windshield wipers w/washer system

Port and stbd water tight doors with stainless articulating hinges and stainless frames

Two ventilation overhead hatches with "Oceanaire" sliding screens/shades

Two "Stidd" 500-200 helm chairs upholstered in ultra leather.

Raised "L" seat with dining table

Padded vinyl forward helm console counter top

Padded soft vinyl removable headliner

Installed Weems and Plath bilge counters

Mahogany plank with carpet inlay

SALON Automatic electric opener @ sliding aft door w/fixed glass windows

Optional aft stairway to owner's stateroom, no charge

Low large windows for "sit down" visibility

Built in "L" settee with two low plywood armrests

37" LCD TV & "Polk Audio" surround sound speakers

Pop-Up TV Lift for 37" TV

Solid wood crown molding surrounding salon

Lambrequins at windows

Halogen "Cantalupi" lighting w/dimmer controls & four 120v wall sconces

Tebe Art Pivot Light at forward port salon with Vimar dimmer

Padded soft vinyl removable headliner with burl inlay wood trim

Buffet cabinet with granite counter top at forward bulkhead

U-Line Wine Cooler

Forward Lobby: upper cabinet over laundry area with lights and dimmer, marble crema marfil counter top and marble backsplash

Forward Lobby: baseboards on lower lobby walls and starboard stairway

GALLEY Black Galaxy Granite counter tops w/overhead hanging storage cabinets

Halogen overhead lighting w/dimmer control, under cabinet lighting

Fold out soap tray @ galley sink

Drawers and cabinets fitted w/push pull latches & lined with Formica

Large pantry w/slide out shelves & counter cabinets w/slide out shelves

"Franke" single S/S sink PCX 110-21 with "Grohe" faucet

"Grohe" soap dispenser

"Insinkerator" - S/S Classic 1Hp stainless steel garbage disposal with top switch

"Broan" trash compactor

"GE" 18" dishwasher AC 120V (Stainless)

"GE" 30" 220v cook top w/adjustable pot holders

"GE" 24"220V oven (below cook top) (Stainless)

"GE" Microwave/convection oven w/exhaust fan AC 120V (Stainless)

"GE" side by side refrigerator Artica 36" AC 120V (Stainless)

Solid wood crown molding surrounding galley

Mahogany plank sole

Stainless Steel Tile Backsplash

MASTER STATEROOM King size walk around bed with drawers & lockers under

Four large windows with storm covers

Cedar lined hanging lockers (2 large)

Built in upholstered seat w/ storage

Polk Audio speakers

32" LCD TV with bureau drawers below

DVD Player

Insulated/cored aft & forward bulkheads

Solid wood crown molding surrounding stateroom

Halogen overhead lighting ("Cantalupi") with dimmer controls

(2) reading lights with Vimar dimmer

(2) sconces over nightstands with Vimar dimmer

One piece beveled mirror over master headboard

Vanity and drawers with mirror and sconces on forward wall

Drawers and cabinet on starboard bulkhead

Curved cabinet doors to starboard cabinet

Safety escape hatch at overhead w/ drop down ladder

Padded soft vinyl removable headliner

Carpet on cabin sole

HIS & HERS MASTER HEADS Solid Mahogany high gloss finish counter tops w/6" back & side splash w/ceramic sink,

Marble seat in shower

"Newport Brass" faucets, towel bars and towel rings

"Tecma" silent flush toilets (x2)

Shower with polished ss frame, frosted glass doors with clear border trim and integral towel bars w/teak grates

Solid wood crown molding surrounding head

Halogen overhead "Cantalupi" lighting with dimmer control

Ultra quiet ventilation system

Mahogany plank soles

Two opening s/s port lights powder coated to match gel coat

(2) sconces with Vimar dimmer

FORWARD VIP STATEROOM Queen size island bed w/hinged top (or "V" berths) with drawers below

Cedar lined hanging lockers

Polk Audio speakers

15" LCD TV

DVD Player

Solid wood overhead molding surrounding stateroom

Halogen overhead "Cantalupi" lighting with dimmer control & berth lighting

Safety escape/ventilating hatch to forward deck with "Oceanaire" shade/screen

Two "Manship" s/s opening port lights powder coated to match gel coat

Padded soft vinyl removable headliner

Carpet on cabin sole

FORWARD VIP HEAD Marble counter top w/6" back & side splash w/ceramic sink

Beveled mirror

Marble seat in shower

"Newport Brass" Faucets, towel bars and towel ring

Opening s/s port light powder coated to match gel coat

"Tecma" silent flush toilet

Solid wood crown molding surrounding head

Shower W/frameless glass door and integral towel bar w/teak grate

Halogen overhead "Cantalupi" lighting with dimmer control

Mahogany plank sole

Ultra quiet ventilation system

MID GUEST STATEROOM Twin berths or bunks with desk

Mirror at aft berth wall

Cedar lined hanging locker

15" LCD TV

DVD Player

Polk Audio speakers

Solid wood overhead molding surrounding stateroom

Halogen overhead Cantalupi lighting with dimmer control & berth lighting

One "Manship" s/s opening port lights powder coated to match gel coat

Padded soft vinyl removable headliner

Carpet on cabin sole

MID GUEST HEAD Marble counter top w/6" back & side splash w/ceramic sink

Beveled mirrors on fore and aft walls over head counter

Marble seat in shower

"Newport Brass" Faucets, towel bars and towel ring

Opening s/s port light powder coated to match gel coat

"Tecma" silent flush toilet

Shower W/frameless glass door and integral towel bar w/teak grate

Solid wood crown molding surrounding head

Halogen overhead "Cantalupi" lighting with dimmer control

Mahogany plank sole

Ultra quiet ventilation system

CREW CABIN & HEAD Two single bunks

Hanging locker

15" LCD TV

Halogen overhead "Cantalupi" lighting with dimmer control

Marbleite counter top & sink with Grohe faucet

Enclosed head with "Tecma" toilet and FRP shower

Ultra quiet ventilation system

Two "Manship" s/s opening port lights powder coated to match gel coat

"Lonseal" vinyl wood sole

Sink & faucet, refrigerator and microwave for crew

LAZARETTE Watertight access door to swimstep/cockpit area

Maytag washer & dryer

40 gallon crew holding tank with monitor in pilothouse

Cabinets covered in off-white Formica with teak trim

Work surfaces covered with brushed s/s with teak sea rails

Halogen overhead "Cantalupi" work lighting

Two opening portlights

Vinyl sole

Built in tool box

Full height storage cabinet on forward bulkhead with adjustable shelves

SAFETY PACKAGE (1) Horn

(1) Ships bell

(6) Type I Life Jackets

(6) Type II Life Jackets

(1) 24" Life Ring

(3) Hand held fire extinguishers(1 TYPE 1, 2 TYPE 11)

(1) Flare gun kit

U.S.C.G. Navigation rules

MISCELLANEOUS STANDARDS Entire maindeck & lower deck interior finished in Mahogany w/ high gloss finish

Solid brass interior door hardware and locks

(4) Polyform fenders

(6) Braided dock lines

EXCLUSIONS All personal items and art (two paintings and 1 sculpture)

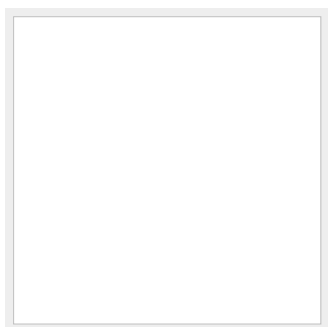

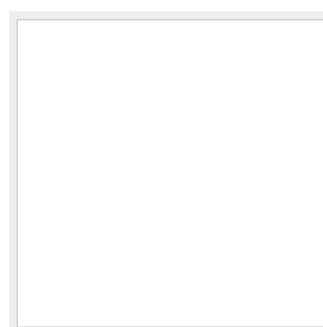

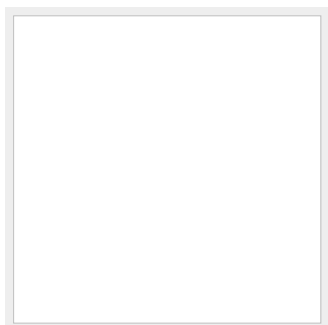

Exclusions

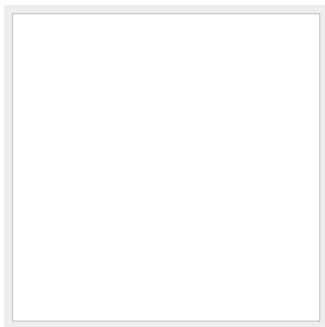

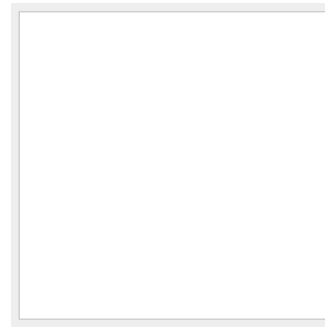

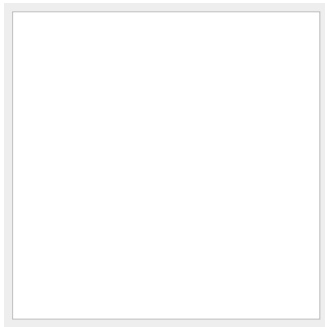

Owner's personal belongings.
