SPECIFICATIONS

Overview

Our Back Yard is a 1983 Carver 3607 with twin Diesel engines, solid fiberglass decks and hull, and many upgrades that make this vessel a good buy and a solid performer. It's lifeline netting, and full enclosure make this a a good boat for pets and kids. She has updated radar, fuel polishing, a dingy with a 9.9 horsepower outboard engine, recent canvas (2016), and a second anchor for a solid sense of security when in remote areas. The current owner made preparations for the loop, but a change in plans has brought this unique vessel back to the market. If you are ready to go on the loop and looking for a boat that wants to get underway, then this is it. Read through the listing and see for yourself.

DETAILED INFORMATION

Main Description

Our Back Yard is a 1983 Carver 3607 with twin Diesel engines, solid fiberglass decks and hull, and many upgrades that make this vessel a good buy and a solid performer. It's lifeline netting, and full enclosure make this a a good boat for pets and kids. She has updated radar, fuel polishing, a dingy with a 9.9 horsepower outboard engine, recent canvas (2016), and a second anchor for a solid sense of security when in remote areas. The current owner made preparations for the loop, but a change in plans has brought this unique vessel back to the market. If you are ready to go on the loop and looking for a boat that wants to get underway, then this is it. Read through the listing and see for yourself.

Walkthrough

Our back Yard has a wide swim platform for boarding with an accommodation ladder that leads to the enclosed main deck. The large salon provides storage, seating areas and passage to the fly bridge, down below, and foredeck. The tan, canvas enclosure is in good shape and the panels are clear. Steps lead up to the bridge deck. The helm is to starboard and there is seating and storage forward. There are zippered doors for going forward. The electrical connection is starboard side mid ship, the dingy stores on the fore deck, and the pulpit holds the Delta 35 Anchor with stainless Lewmar windlass. Steps lead down through the aft companionway and open to the salon with 6 feet 4 inches of headroom, carpeted floor, large windows, smoked glass bar, and storage. The lower helm station is on the main salon level to starboard. The galley is down and to starboard. It has aluminum port lights port and starboard and the dining table is to port. The guest bath is forward and the guest berth is in the bow. Steps lead aft to the master stateroom with 6 feet 2 inches of head room, the master bath to port, closet and drawer storage to starboard./ and vanity table to port.
