Overview

*****PRELIMINARY LISTING, MORE DETAILS AND PHOTOS TO FOLLOW***** The 2019 Dutchcraft carries a CE A rating for twelve people onboard. It also carries a B rating for up to 36 people onboard: **Category A -- Ocean** - This is the category with the toughest standards and covers vessels 40' and over designed to be self-sufficient for extended voyages. It is defined as the "category of boats considered suitable for seas of up to 23 feet (7 meters) significant wave height and winds of Beaufort Force 9 (41-47 knots) or less, but excluding abnormal conditions such as hurricanes." **Category B -- Offshore** - These boats are designed to go offshore with the ability to handle winds up to gale force 8 of 40 knots, and seas up to 13 feet (3.96 meters). Dutchcraft are purposely overbuilt boats that require minimum maintenance and provide the best and safest boating experience for all conditions! There are many commercial features which we have incorporated into our boats to bring them to this level.
