14. COMMENTS

A superb example of Benetti's highly sought after Classic 120' model, VIRTUE was built by Benetti in Italy at their Viareggio shipyard and delivered to her owners in 2008. With timeless Benetti styling combined with a proper 3-deck layout and interior space of a much larger yacht, the Benetti Classic 120 series has been highly successful.

VIRTUE features an engine upgrade with her 2,000Hp MTU engines which pushes her to a higher cruising and maximum speed than the Benetti competition. Meanwhile her engine room has a different than standard layout for easier access to her main machinery, whilst keeping the same space for tender and toys storage.

VIRTUE has recently completed her 10-years RINA Class Service and will be an excellent purchase opportunity for the 2019 season.

Exclusions

Owner's personal belongings.
