## Overview

---

Now located in Seattle and available showings at our docks on Lake Union.

New listing and new to the market in the Pacific Northwest. Truly loaded with all the right gear to cruise up to Alaska or the Pacific Northwest.

Well regarded as the epitome of a true trawler this Grand Banks is well equipped for cruising! "Angela K" with her striking Awlgrip painted Flag Blue hull and Gold boot stripe she stands out in any port! Her timeless design and salty appearance make for a great looking yacht or home on the water. Between 1986 and 1988 Grand Banks made this Classic with a wider aft cabin than her newer models. Thus owners of this vintage Grand Banks have a slightly wider and larger aft cabin than the newer models. Also a key feature of these years is the lower cockpit with transom door for easy boarding of the vessel and tying up vessel to the dock. Vessel had been kept by the prior owner under cover in fresh water at the Seattle yacht club.

Recent updated equipment in 2017 alone:

- Magnum MS series Inverter & Charger
- 10 AGM batteries for ships house bank
- Magnum ME-RC remote control monitor at lower helm station
- Xantrex Link Lite Battery Monitor
- Garmin 942xs system lower helm
- Airmar high power transducer B175M with CHIRP technology
- Pyle Video system with monitor installed overhead panel of helm
- Aft viewing camera
- LED custom 110v engine room lighting
- Bluetooth Radio salon with Pandora and USB port
- Custom stainless steel hand rail on transom
- Wireless LED spotlight with hand held remote
- New HD digital TV tuner in addition to TracVision
- Sunbrella weather proof tender cover

Other notable items this vessel:

- Grand Banks Classic with desirable 3 stateroom layout (galley up)
- 2'6" hull waterline extension integral for added waterline length
- 9.2kts with waterline hull extension gives about 5.5 gph consumption
- Extension also adds buoyancy aft to negate need for trim tabs
- 3 Additional refrigeration boxes: Bridge area, Freezer only aft stateroom and settee in salon
- 10' Avon Rib with 15hp Yamaha OB

- Upgraded from Grand Banks to larger Caterpillar 320 HP 3208's engines
- Stand up engine compartment
- Naiad Hydraulic Stabilizers model 173
- Hurricane 45K (SS45) Hot water heat system with engine loops for block heat
- 24 Volt Max Power Bow thruster
- Village Marine Water Maker
- Hinged Yacht Mast with boom for bridge clearance and or covered moorage
- 2000 LB Ross-Kelly Olson upgraded yacht davit system
- Upgraded Vacuflush heads
