Vessel Walkthrough

"Amitie" is the finest 130' Westport on the market. She was delivered new in May 2008. She offers Zero Speed Stabilization, Naiad "At Anchor" with 22 sq. ft. fins and electrical converters (ready for Europe). In addition, she provides a Mahogany interior with crotch Mahogany burly inlays. The 130' Westport offers an Aft Deck that is the most spacious in its class, featuring a large round table for casual al-fresco dining, an aft settee and occasional chairs and a functional service bar. A large party will enjoy this Aft Deck and not feel crowded. There is also a Barrett 2-sided Aft Deck enclosure that further protects the Aft Deck from the elements. Going forward from the Aft Deck, you enter the main Salon through double stainless steel glass doors. There is a large L-shaped sofa to port with (2) large occasional chairs and leather lounge with ottoman. The Salon windows are very large, which offer panoramic views while sitting in the Salon or the game table at the starboard side. The formal Dining is located in the forward part of the Salon. It accommodates ten owners and their guests. The Dining table is custom

built out of matching Mahogany with inlays of glass. The fine dining ware and flatware is stored in custom cabinets, located port and starboard of the dining table. The Galley is very well-appointed with double ovens, double stainless steel sinks and full-size double door refrigerator. Over the sink area is a large window that lets in the natural light and allows for great views. There is a custom stewardess pantry with a granite countertop, bar stool at the port window. The upper Aft Deck is featured with a large L-shaped settee and table to port, built-in TV and an overhead customized awning that is supported by custom Carbon Fiber poles. This awning can be used in various manners to leave parts of awning open for versatile usage. Going forward from the upper Aft Deck, you enter the Skylounge through double stainless steel glass doors. The room is well-appointed with large windows for excellent visibility, an Office, Day Head, walk-up service bar, fireplace, L-shaped sofa, plus two occasional chairs and matching ottoman. **"Amitie"** offers a five staterooms, plus crew layout. The Master Stateroom is on the Main Deck with large windows for great visibility. The Master Head is forward with his and hers access, large triple shower and a custom vanity forward of the shower. The other four staterooms are on the lower level with a separate staircase leading to a Foyer. The two VIP Staterooms are large with California king-size berths and en-suite heads. The two Guest Staterooms are mirror images with twin berths that can be combined to offer queen berth Stateroom. The port Stateroom has an additional Pullman berth; each cabin features en-suite heads. The Crew Quarters are located down steps going forward from the Galley. The Captain's Stateroom is located to port with a double sized berth and en-suite head. To starboard from the Captain's Quarters is a large Crew Dinette. There are two Crew cabins with upper and lower berths and en-suite heads. In addition, an Engineer's cabin is located aft, with a double berth and en-suite head.

- (2) Northern Lights 65kW Gen Sets
- (2) 36 KVH ASEA Shore Power Converters
- Watertight exterior Engine Room door
- 18' Self-coiling hose for oil change pump with quick disconnects
- Engine Room Floor: Black Standard Profile raised circular design rubber tile

Mechanical Equipment

- (2) MTU/DDC 12V4000 engines @ 2735 HP with 4-station controls, integrated station selection and shifter 22H.S, stocks control & synchronizer (port 4800 hrs., stbd. 4800 hrs.)
- (2) 65kW 1800 RPM Northern Lights generators with compound mounts, sound shields, "InSep" water separation/mufflers, (water temperature, oil pressure and hour meters are installed in the distribution panel) and with remote start/stop (port

& starboard)

- 220V 2hp Air Compressor Engine Room will operate horn, gasoline tank and general Engine Room air supply
- Bow Thruster: American Bow Thruster 16" - 50HP hydraulic prop with 4-station controls
- Stern Thruster: American Bow Thruster 16" - 50HP hydraulic prop with 4-station controls
- Fuel Fill Pipes: Fuel fills port & starboard with delay circuits and freshwater with vent pipes vented overboard for fast filling
- Fuel Tanks: ¼" minimum 5086 alloy aluminum with dual fills and standard
- Vents (approximate capacity 9,900 gallons)
- Gas Tank: 100 gallon gas tank under hatch on Swim Step with air operated diaphragm pump and fill nozzle
- Fuel Filters: (2) Detroit provided SeaPro for each main engine and (1) SeaPro 2005MK for each generator
- Fuel Monitoring: Sight tubes are located on each tank and a digital readout integrated into the Monitoring System
- Fuel Transfer System: Fuel transfer pump is equipped with flow meter and timer
- SeaPro 2005MK for each generator
- Fire Suppression: Engine Room has a FM200 Fire Suppression System with manual/automatic controls also additional Fire Suppression is located on the electrical distribution panel
- Lube Oil Change System: (1) Tank with (2) 178 gallon chambers (1) for new oil with deck fill, fill spigot and pneumatic transfer pump, and (1) for waste oil with deck fill and drain spigot (portable extraction pump with quick disconnects on pump and all engines)
- Rudders: 10 Sq. Ft. cast Urethane foil-shape rudders with 4" Aquamet 22 H.S. stocks
- Rudder Bearings/Seals: PYI Dripless packing boxes with spare seals (steady rest bearings in aluminum framework)
- Propellers: 5-Blade Michigan Custom Wheels
- Shafts: Aquamet 22HS 4 ½"
- Shaft Log & Packing Glands: Shaft logs are one-piece fiberglass construction with PYI Dripless packing gland and spare seals (shaft log are laminated into Hull)
- Stabilizer System: At Anchor Stabilization - Factory Install: Naiad model #302 with 22sq.ft. fins; 1-station
- Multisea 2000 control, with oil level warning, unloading valve kits
- Windshield Wipers/Washers: (3) Exalto stainless steel pantograph wipers with delay circuits and freshwater wash-down
- Steering: Jastrom CCO Commercial grade power steering (4) stations, Pilothouse, Flybridge and (2) wiring with electric controls (all stations are equipped with rudder angle indicators)
- Bonding: All bronze thru hulls and shaft wipers to be bonded to #8 or heavier wire and connected to general bonding system

- Zinc Anodes: Installed on Hull at Transom secured on stainless steel studs and tied to the Bonding System (includes zinc on shafts and struts)
- Air Conditioning: (4) Chilled Water Systems with air handlers in Salon, Pilothouse, Galley, all staterooms, and Skylounge make-up air system is included chiller unit includes variable frequency drives approx. capacity 20 tons
- Bilge Monitoring: (13) Remote-mounted bilge float switches and VIC alarms on all float switches
- Bilge Pumps: Emergency fixed bilge pump system includes (2) electronic pumps with 1 ½" PVC lines to each major compartment with check valves, strainers and priming system

Plumbing

- Water Tanks: Aluminum with interior epoxy coating (approx. capacity of 1620 gallons, electronic monitoring system and sight tube, individual tank fills on starboard side Amidship)
- (2) Sea Recovery Watermakers SRC 1400 (2,800 gallons per day total)
- Water Filters: (5) Micron sediment filters with UV sterilization light
- Freshwater System: (2) 220V AC pumps and (1) 24V DC back-up pressure pump with pressure tank
- Hot Water Heater: (1) 120 Gallon hot water tank with circulation pump
- Hot & cold water shower in Swim Platform area
- Freshwater wash-down with quick disconnects on Foredeck, Boat Deck and Swim Platform
- Below decks Gray Water Systems: (3) Gray water transfer boxes fitted with screen, supply and discharge line for all showers and sinks (except Galley), forward tow transfer boxes have an AC sump pump and a 24V DC back-up pump with alarm on back-up pump, aft transfer box has DC pump only, and all gray water pumps to have diverter valve for overboard discharge or Ship's holding tanks
- Holding tanks: (2) Composite tanks with inspection hatch tanks are electronically monitored and have an approx. capacity of 1,360 gallons Headhunter MSD treatment with PLC touch screen, and AutoChlor treats black and gray water

Safety Equipment

- Life Raft: (2) 10-Man Solas approved life rafts Zodiac mounted on Boat Deck rails
- Life Preservers: (18) Coast Guard Approved adult life preservers with water lights and (6) Coast Guard
- Approved child life preservers with water lights
- (4) 24" Diameter ring buoys secured on exterior of vessel (2) with Smoke/light
- Flare kit

- Ship's bell per Coast Guard Regulations, installed on bow railing over anchor windlass
- (27) Fire Extinguishers, CO2, dry chemical installed in suitable locations
- EPIRB: McMurdo G5
- SART: NASART
- Medical kit
- (18) Immersion suits
- Line thrower
- (2) Fire blankets
- Not under command lights
- Man overboard lift collar

Miscellaneous Equipment

- Underwater Lights: (6) Across stern
- Boarding Stair: (1) 8-step Carbon Fiber with handrails on both sides, brackets at port & starboard gates, stowed in a recess on the starboard house side
- Emergency Ladder: On Transom, painted black to match hull
- Covers: All covers have been upgraded to Stamoid with Boltrope and zipper attachment, Secondary Snap-on attachment
- Covers provided for: Flybridge settee, tables, seating, shore boats, bow seat and Aft Deck seating black mesh windshield cover is provided in the Pilothouse
- Spare Parts: DDC/MTU spare parts kit Northern Lights spare parts kit Sea Recovery spare parts kit and
- Ship's spares kit
- Flagstaffs: Stern flagstaff rigged with nylon line, bow jack staff
- Passerelle: Besenzoni two-section rotating hydraulic, with handrail and wireless control for Med Style mooring
- Cushions: Aft Deck settee, bow sun pad, Boat Deck lounge settee and observation deck settee Sumbrella fabric with dry fast foam fill

Tender

18' Nautica with Yamaha 115 4-stroke outboard motor and includes the following: Center console, GPS, VHF radio, compass, depth sounder, polished stainless steel rails and lifting bridle.

Exclusions

"AMITIE" is a registered name and does not convey. All owners and crew's personal belongings, a detailed list of exclusions will be provided at the time of sale, upon written request.

Exclusions

Owner's personal belongings.
