# DETAILED INFORMATION

---

## Vessel Walkthrough

---

Dependable Caterpillar 3412E engines. She can run comfortably at 28 knots and tops out at 34 knots. The bridge features a Pipewelder's hardtop, EZ2CY three-sided enclosure, pop-up console with complete electronics, bow thruster and Mathers single-lever controls. Intellian SAT TV dome new in May 2018, also recent SAT phone and Garmin chartplotter. The interior woodwork is flush-fill, high gloss teak, and the decor throughout is tasteful. There are three staterooms (two with queen-sized berths, one with large over/under bunks) and two complete heads. Boat had a paint job completed November 2016 and looks very good. This is one very comfortable boat which offers an excellent ride in almost all sea conditions.

## Flybridge

---

- Pipewelder's hardtop with integral running lights and white and red Halogen lights underneath
- Hand-hold rail on underside of hardtop
- Intellian I-3 Sat TV dome (new May 2018)

Canvas cockpit fly cover, connects from aft flybridge railing to transom rub-rail

---

## Salon, Dinette, and Galley

---

A spacious and functional interior with the galley up and open due to under-counter Subzero drawers. The teak cabinetry is attractive and gives warmth to the space. To starboard side forward is the L-shaped dinette. Tan leather Salon settee has hinged storage cabinets beneath. The dinette seating is Emerald green leather with storage drawers beneath either end. The galley area sole is maple and teak laminate flooring that adds a tasteful accent to the room. There is also a swivel armchair in the salon area to starboard aft that can be easily moved to the end of the dinette if extra seating is needed.

- High-gloss, flush-fill, Golden teak interior woodwork
- Salon cocktail table with storage inside, circular blond burl and teak
