Accommodations

Lady Hayat's interior layout caters for up to 12 guests in 6 staterooms, including a master suite, 3 double cabins and 1 twin cabin. She is also capable of carrying up to 9 crew onboard to ensure a relaxed luxury yacht experience.

Timeless styling, beautiful furnishings and sumptuous seating feature throughout her living areas to create an elegant and comfortable atmosphere.

"Since her original launching, this rather special yacht has undergone many refits and makeovers during her illustrious career. Currently relaunched after an extensive two year refit and refurbishment programme "Lady Hayat" is ready and waiting for you.

The upper deck piano bar is a true air-conditioned oasis away from the heat of the day. If you don't care to play yourself, the piano will do it for you as you sip your cocktails.

For large scale functions and parties the huge aft deck becomes a major open space with the two tenders launched. Step up to the pool deck and be greeted by a barbeque and wet bar, comfortable sun lounging area and two seating areas.

It's no surprise that this is where most people enjoy themselves during the day- if they are not on the jet skis or running ashore in the tenders.

The interior has been professionally redecorated bringing a luxury feel to all area. The guest accommodation comprises a master cabin, two double cabins, two twin cabins and the study on the main deck forward can be converted to provide a further twin guest stateroom to cater for a party of 12.

The bathrooms are equally well appointed in fine marble, as one would expect of a yacht of this calibre.

Efficient guest support comes from tech professional crew who have enlarged crew's quarters, a fine new galley and capacious freezer space for extended trips.

"Lady Hayat" is a legend reborn and awaits your command.
