## Manufacturer Provided Description

---

Luxury marque Belize has commenced the build of the latest in its line of classically-styled motor yachts, the Belize 66. The model builds on the heritage, first unveiled in 2011, of a luxury motor yacht that evokes the styles of a bygone era of yachting, of gleaming hand-crafted interiors and, most importantly, of individuality. The original Belize 54 quickly attracted owners who, after many years of boating, knew exactly what they wanted and had found a passionate team who could help them create their ultimate motor yacht. Now Belize has taken the concept of a semi-custom motor yacht to a new level with the Belize 66, a vessel that delivers a new sense of space, comfort and luxury and offers an unmatched level of customisation and bespoke elements. Available in sedan or daybridge models, the Belize 66 offers three or four cabins with a large space between the midship master stateroom and the engine room that can be optioned for a wide range of purposes.
