SPECIFICATIONS

Overview

2016 Bayliner Element XR7 Mercury 4-Stroke 150HP *Sand bars and restaurants here we come!*

Bayliner took the comfort and room of a pontoon boat and gave it a more evolved look. Then they replaced the pontoons with a patent-pending M-Hull running surface. The result: Bayliner's evolutionary Element XR7 - a unique combination of comfort, space, style and performance like never before.

Key Features

- Spacious deck layout with plush, premium-upholstered lounges forward and aft, companion and captain's helm seat. Deep freeboard and high gunnels keep passengers and gear secure with outstanding capacity for up to 16 passengers.
- Patent pending M-hull™ design dramatically improves stability while on plane and maintains tracking throughout turns. Ideal for salt or fresh water environments. An ideal, trailerable, all-water boat.
- Reliable Mercury® 4-Stroke 150HP outboard motor
- Enclosed head compartment forward of helm station and ample, in-floor storage standard. Sturdy forward and aft folding beach/boarding ladders and port side boarding gate.

This 2016 Bayliner Element XR7 shows well and is ready to go. This Element XR7 is a great way to enjoy south Florida's water front restaurants and sands bars.
